

The Swimmers Hooking People

Hello! This online course includes 2 pdf patterns and a page with tips that you can download and print, again and again. Instruction is given on how to transfer the downloaded patterns onto your backing material. There are 3 videos totaling more than 25 minutes showing you exactly how I hook these bathing beauties and the water around them. Lots of tips and tricks are revealed that will help you not just with this project, but all hooked pieces that involve people or water.

Thank your purchase. Please follow the instruction below to get started.
