

Acrisyl Decora

Rivestimento decorativo acril-silossanico ad effetto granito con cristalli lucenti per esterni

Punta al gusto e alla semplicità, sinonimi di Stile ricercato e purezza delle linee. L'essenzialità della pietra naturale come leitmotiv materico e allo stesso tempo stilistico, arricchito dalla luce che accende i minuscoli cristalli incastonati nella texture e crea scenografici effetti superficiali. Acrisyl Decora viene applicato in almeno due strati, con una resa indicativa di 2-2,4 kg/m² a lavoro finito.

Attrezzi: frattazzo inox.

Acrylic-siloxane granite effect exterior wall coating with sparkling crystals

Good taste and simplicity are the key words here, denoting a refined stylishness and purity of lines. The essential nature of natural stone becomes the leitmotiv of both the material and the style, enhanced by the light reflecting off the tiny crystals embedded in the textured surface with eye-catching effect. Acrisyl Decora is applied in at least two coats, with an indicative spreading rate of 2-2,4 kg/m² for two coats.

Tools: steel trowel.
