

# NATURALYS CHARDONNAY

## IGP Pays d'Oc

Act for planet

### Winemaker's note

Driven by a life-long passion for the beautiful wine-growing landscapes of the South of France, Gérard Bertrand's Naturalys collection is a range of wines produced entirely from Organic grapes.

Naturalys range is above all a collection of premium wines, designed to ensure maximum pleasure while reflecting the distinctive character of the grape varieties and their terroir.

### Winegrower's note

The grapes are handpicked when they have reached peak maturity. The fruit is lightly pressed upon arrival at the winery, to extract the finest juices, then a portion of the juice is cold settled for 48 hours. A certain proportion of the must is vinified in barrels and the rest is transferred to temperature controlled stainless steel vats to preserve the wine's fresh, fruity character. The controlled temperatures allow the wine to retain its freshness and rich aromas. The wine is gently fined before bottling.

### Tasting notes

Bright yellow colour, with green reflections. Nose of white fruits and citrus fruit (peach, grapefruit).

The palate remains smooth and unctuous (notes of vanilla, exotic fruits) with a finish marked by a beautiful liveliness and a good length.

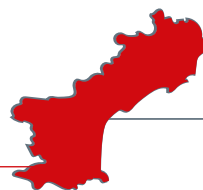

Best served at 12°C, with shellfish, grilled fish, fish in sauce or white meats.
