

SPHÈRE CHARDONNAY

IGP Pays d'Oc

Creations

Winegrower's note

Sphere captures the spirit of the South of France, elegant and friendly, in an attractive vintage of Chardonnay with subtle floral aromas. Discover the unique and airy character of its very fine bubbles, for all your moments of sharing and relaxation, for meals or as an aperitif.

A wine, very fine bubbles, all for a tasty moment!

Winemaker's note

A soft and progressive pressing helps preserve the quality of the berries. Only the first juices are selected to develop this cuvée.

Once the fermentation is completed, the wine is left to rest to avoid oxidation and keep a maximum of endogenous carbon dioxide.

Tasting notes

Sphere Chardonnay offers an aromatic nose of white flowers that complements the citrus notes.

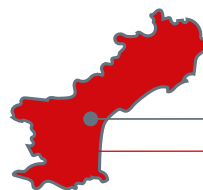

Very fine bubbles are revealed while tasting, bringing a pleasant freshness to the palate, well-balanced and delicate, with notes of white flesh fruit and citrus.

For consumption between 9 and 12 ° C, with tapas and dishes from the South of France such as escalivada, grilled fishes. For international dishes, it is an ideal combination with sushi.
