

MIX FIRE BOWLS

FREESTANDING FIRE PITS

Blending the simplicity of an outdoor fire pit with classic luxury, the Mix Fire Bowls are designed to bring people together. Fashioned from weather-resistant concrete, the portable Mix 850 (big sister to the Mix 600), are the perfect addition to myriad outdoor environments.

Finish

Available in a variety of Fluid concrete colours.

Natural

Graphite

Bone

Concrete Surround Options

Relocate With Ease

Bioethanol fireplaces relocate with ease, and this portability is greatly enhanced by the self contained engineering of the EcoSmart system. There is no need for a utility connection, which means you can transform the look and feel of your indoor¹ or outdoor area when desired.

Global Compliance

These models comply with existing standards in the USA and Australia. UL Listed and ACCC Safety Mandate compliant.

Versatile and Incredibly Durable

EcoSmart portable fireplaces are versatile, incredibly durable, and are constructed of weather resistant materials. These appliances are designed to look great for years, and will perform admirably through all four seasons.

Environmentally-Friendly

Bioethanol fireplaces use an environmentally-friendly, renewable energy source that burns clean and delivers warming heat. You and your guests will enjoy the ambiance and tranquility of a real fire, without the hassles of burning real wood - no more embers, ash, and soot to clean up.

Available in Two Sizes

The Mix Fire Bowls are available in two sizes – 600 and 850 – and are striking either standalone or together.

Quick and Easy

With no installation or building works required, simply unpack, put into position, and off you go.

Included Accessories

Optional Accessories

Jerry Can

Lighting Rod + Lighter

AB8 Burner Efficiency Ring

Black Glass Charcoal

AB3 Extension Spout (Mix 600)

Outdoor Covers (Protective and Storage options available)

Tank (Concrete and Teak finish available)
