

Easy To Use and Easy To Read.

Our Premier Keypad contains a host of convenient features that make security system operation simpler than ever. What's more, the sleek, attractive keypad looks as good as it works! Features include:

- A large, bright display that spells out system status and zone information in plain-English
- Audible beeps that indicate system status, entry/exit delays and other conditions
- Comfortable, soft-touch keys labeled with simple commands and illuminated for easy nighttime visibility
- Four one-touch function keys that can be custom programmed to contact the police, fire department and other emergency response personnel
- A contoured, removable door that lets you choose the look you want
- A classic, stylishly designed white console that blends with any décor and can be placed on a wall or tabletop

You'll find that these sophisticated, user-friendly features put security, comfort and convenience at your fingertips!
