

# Fill in the *blanks!*

Laura was really happy. Her \_\_\_\_\_  
was coming over for a play today.

What should she \_\_\_\_\_ ?

A \_\_\_\_\_ would be too silly.

Maybe her favourite \_\_\_\_\_ dress is good enough.

When she opened the door, she almost fainted!

Her \_\_\_\_\_ had brought along  
a special guest: a \_\_\_\_\_ !

“What are we going to do with that?!”

she \_\_\_\_\_ loudly.

“We could \_\_\_\_\_ !” her friend replied.

And so it was decided, they would spend the day with this  
\_\_\_\_\_ and play until it was time for tea.

The end.
