Map Names

Spatial Services map names are shown in black text - map names in Blue text (1:100 000) are Geoscience Australia.

Year of Map Publication

The year of publication is shown for each map. However, users should note that maps will age over time, and due to the large number of topographic maps over NSW, it is not possible to publish changes as they occur.
Dates are accurate as at: SEPTEMBER 2018.

Year Of Photography

Digital ortho-rectified mosaic images are available for each 1:100000 (blue) area that have a date shown in blue at the bottom of the square e.g. 2013
