RANGE III / 1095 / S - XXXL

The Range III coat has been enhanced with an improved hood construction and updated fitting for a modern and tailored silhouette. This clean city coat is designed for versatility, blending seamlessly into both formal and informal settings. Made from 100% wind- and waterproof medium-weight stretch fabric, it features seam-sealed construction for exceptional all-season performance. Ideal for layering, Range is your go-to jacket for spring, summer, autumn, and mild winter days. The detachable hood, now more refined, offers extra protection on rainy days.
