

World's First Marine-Designed Earth Conscious® Marine Products

Pura Spill Pad

Dimensions: 15" x 15" x 0.25"

Color: Off-white

- **Revolutionary foam designed to absorb oil 2X faster** from dripping engine block / transmission and remain environmentally safe.
- **Lifts up to 14x its weight** in oil and grime from surfaces. Antiquated paper cloth pads cannot match Pura's absorption rate.
- **Cost-effective, reusable and reclaims** absorbed substances.
- **Manufactured with Earth Conscious® BeBetterFoam®,** a sustainable plant-based foam technology created through an eco-friendly carbon negative process.
- **EPA / California Fish & Wildlife Approved** for use in waterways.
- **Recommended industry:** Automotive, chemicals, construction, general manufacturing, marine, military, mining, oil and gas, transportation.
- **Full 2-Year Warranty.** For additional information visit: www.puramarine.com
