## Adored Beast Apothecary Product Guide

Adored Beast Apothecary empowers you with products that properly support your animal's healthcare needs. Our products have been thoughtfully developed with over 20 years of clinical experience by holistic healthcare founder, Julie Ann Lee, DCH.

How to use this guide: Please address your customer's primary concern first in order to determine which product you should recommend for their dog or cat.

### FIDO'S FLORA - LOVE BUGS - HEALTHY GUT - GUT SOOTHE

The following probiotic products can be used in rotation to increase healthy gut flora

	FIDO'S FLORA – the first and only probiotic designed specifically for dogs
Primary Concern	<p>Fido's Flora is a unique probiotic that should be given to dogs that have some health challenges such as allergies, cancer, organ or digestive disease.</p> <p>This product is the only probiotic that comes from dog-specific strains. Fido's Flora can help support a healthy digestive track and keep it free from toxins.</p> <p>If your dog is healthy, alternate it with Love Bugs to increase the diversity of bacteria you give your dog. Can use 3x's a year</p>
What does it do?	<p>This powerful combination adds vital minerals, helps feed the cells of the body and aids in the removal of toxic minerals and heavy metals. Scientists have identified and cultivated two canine-specific strains of probiotics (good bacteria) that are beneficial to the micro-biome in your dog's gut. These 2 strains are the first and only canine-specific probiotics in the world animal supplements.</p> <p>These bacteria were researched and specifically chosen to:</p> <ul style="list-style-type: none"><li>• Strengthen your dog's immune system or more importantly, modulate to immune system</li><li>• Help keep your dog's gastrointestinal track calm during times of stress</li><li>• Produce metabolites that fight against bacteria like E. coli and salmonella</li><li>• Improve availability of nutrients to the diet</li><li>• Improve production of neurotransmitters in the brain</li></ul>

	<ul style="list-style-type: none"> <li>• Researched and proven to stay viable in the acidity acid of a dog's gut</li> <li>• Not affected by antibiotics commonly prescribed to treat intestinal upset.</li> </ul>
How to feed it	<p>Add to food once per day according to your dog's weight dosage.</p> <p>1-29 lbs 1/4 tsp for 28 days</p> <p>30-59 lbs 1/2 tsp for 18.5 days</p> <p>60-89 lbs 3/4 tsp</p> <p>90+ lbs 1 tsp 14 days</p>
Ingredients	<p>Ingredients based on 1/2 tsp serving:</p> <p>Larch Arabinogalactan (700mg)</p> <p>Humic and Fulvic acids (558mg)</p> <p>Multi strain probiotic blend including species specific patented probiotics (2 billion CFU)</p>
Dog Friendly?	Yes

	LOVE BUGS – The Perfect Match of Pre and Probiotics
Primary Concern	<p>Daily Essential! Gut flora is challenged every day from daily toxins for dogs especially who have been on antibiotics or have come from/on commercial diets.</p> <p>Assists the body in addressing:</p> <ul style="list-style-type: none"> <li>• Yeast infections</li> <li>• Allergies</li> <li>• IBD</li> <li>• Aids in preventing tooth decay</li> </ul>
What does it do?	<ul style="list-style-type: none"> <li>• Releases “friendly” bacteria intended to counter-balance dangerous disease-causing bacteria</li> <li>• Acts as a fertilizer to grow a bountiful amount of friendly bacteria in the gut</li> </ul>
How to feed it	<p>Owners can include Love Bugs in their pets’ food daily to maintain healthy gut flora. Refrigerate after opening. 40g &amp; 80g sizes available.</p> <p>40g</p> <p>1-29 lbs 1/4 tsp for 56 days</p>

	<p>30-59 lbs 1/2 tsp for 28 days</p> <p>60-89 lbs 3/4 tsp for 18.5 days</p> <p>90+ lbs 1 tsp for 14 days</p> <p>80g</p> <p>1-29 lbs 1/4 tsp for 112 days</p> <p>30-59 lbs 1/2 tsp for 56 days</p> <p>60-89 lbs 3/4 tsp for 37 days</p> <p>90+ lbs 1 tsp for 28 days</p>
Ingredients	<p>Larch Arabinogalactan (700mg per ½ tsp)</p> <p>Humic and Fulvic acids (558mg per ½ tsp)</p> <p>Multi strain probiotic blend including species specific patented probiotics (2 billion CFU per ½ tsp)</p>
Dog/Cat/Horse Friendly?	Yes

	HEALTHY GUT – Improves Digestion / Pre and Probiotic
Primary Concern	<p>Essential for dogs who are dogs who have been malnourished, kibble fed, chronically sick dogs or old dogs that require a dramatic boost in their nutrient absorption rate. Large stool volume is often an indication that they would benefit greatly from this product as they may not be currently absorbing their food properly. Majority of rescue dogs can fall into this category. Great for cats and hairballs</p>
What does it do?	<p>This product uses Love Bugs as the base for their pre and probiotic formula so has the same benefits</p> <p>In addition, Healthy Gut has the added digestive enzyme components that assist in proper digestion of vital nutrition. The majority of dogs are deficient in healthy enzymes and could benefit from using this product.</p>

How to feed it	<p>Owners can include Healthy Gut in their pets' food daily to aid in vital digestion and maintain healthy gut flora. Refrigerate after opening. 41g &amp; 83g sizes available.</p> <p>41g</p> <p>1-29 lbs 1/4 tsp for 56 days</p> <p>30-59 lbs 1/2 tsp for 28 days</p> <p>60-89 lbs 3/4 tsp for 18.5 days</p> <p>90+ lbs 1 tsp for 14 days</p> <p>83g</p> <p>1-5 lbs 1/16 tsp, lasts 560 days</p> <p>6-15 lbs 1/8 tsp, lasts 280 days</p> <p>16-39 lbs 1/4 tsp, lasts 140 days</p> <p>40-59 lbs 1/2 tsp, lasts 70 days</p> <p>60-89 lbs 3/4 tsp, Lasts 46 days</p> <p>90+ lbs 1 tsp, lasts 35 days</p>
Ingredients	<p>Larch Arabinogalactan (700mg per ½ tsp)</p> <p>Humic and Fulvic acids (558mg per ½ tsp)</p> <p>Multi strain probiotic blend including species specific patented probiotics (2 billion CFU per ½ tsp)</p>
Dog/Cat Friendly?	Yes

	GUT SOOTHE – Soothes and replenishes the lining of the gut / Pre and Probiotic
Primary Concern	<p>A great first aid product for dogs and cats who suffer from sensitive tummies. This product is targeted at reducing inflammation of smooth muscle; gastro-intestinal tract (diarrhea, vomiting, burping, farting, hairballs etc), lungs, nasal passages, bladder, etc. Also supportive of inflammation that presents as autoimmune disease, skin disease and more. Especially helpful for chronic inflammation in brachycephalic breeds (pugs, bulldogs, boxers, etc.)</p> <p>Owners can include Gut Soothe in their pets' food daily as a health supplement to maintain healthy gut flora.</p> <p>Assists the body in addressing:</p> <ul style="list-style-type: none"> <li>• Diarrhea</li> <li>• Vomiting</li> <li>• Lung issues</li> <li>• IBD</li> <li>• Acid reflux</li> <li>• Inflammation in the gastro-intestinal tract</li> </ul>
What does it do?	<p>This product uses Love Bugs as the base for their pre and probiotic formula so has the same benefits</p> <p>In addition, Gut Soothe has the added herbal and nutraceutical components that target inflammation and can soothe the mucosal lining.</p> <p>Soothes and replenishes the lining of the bowel. Helps combat unhealthy bacteria with friendly bacteria in the gut's defence system</p>
How to feed it	<p>Add to food once per day according to your dog's weight dosage.</p> <p>1-29 lbs 1/4 tsp for 28 days</p> <p>30-59 lbs 1/2 tsp for 18.5 days</p> <p>60-89 lbs 3/4 tsp</p> <p>90+ lbs 1 tsp 14 days</p>
Ingredients	<ul style="list-style-type: none"> <li>• Aloe Herbal Aloe plant • healing effect</li> <li>• Marshmallow Root Herbal • similar benefits to slippery elm</li> <li>• L-Glutamine Amino Acid • building block of protein</li> <li>• N-aceetylglucosamine • found naturally in the mucous membranes of digestive, urinary and respiratory tracts</li> <li>• Larch Herbal Larch Arabinogalactan • prebiotic</li> <li>• 14 Strain Probiotic • rebalances gut flora</li> </ul>
Dog/Horse Friendly?	Yes - Cats give only 1/4 tsp, not for kittens. Horses double largest dose recommended.

	FELINE GUT SOOTHE – Soothes and replenishes the lining of the gut / Pre and Probiotic

How to feed it	<p>1 dose = 4 pumps (0.5 ml)</p> <p>4 pumps directly into the mouth or pump onto spoon and deposit directly to mouth</p> <p>Week One: One dose (4 pumps) given twice per day</p> <p>Week Two: One dose (4 pumps) given once per day</p> <p>Week Three: One dose (4 pumps) given once per week</p> <p>Maintenance: One dose (4 pumps) once per week for 4 weeks</p> <p>Option: switch to Regular Strength and give once per week.</p> <p>Dose is the same regardless of dog or cat's weight</p> <p>For best results, do not give within 20 minutes of meals.</p>

Ingredients	<p>A proprietary blend of homeopathic Arnica, Ruta, Symphytum and Calendula.</p> <p>60 ml liquid</p> <p>Calendula Officinalis Origin: Marigold, Calendula</p> <ul style="list-style-type: none"> <li>• known as the greatest healing agent</li> <li>• A first aid go to for abrasions, injuries</li> </ul> <p>Ruta Grav Origin: Rue</p> <ul style="list-style-type: none"> <li>• indicated for soreness in the bones, tendons, joints and cartilage</li> <li>• First aid treatment for sprains, injuries, strain, bruises bones, pulled ligaments.</li> </ul> <p>Symphytum Officinale Origin: Comfrey</p> <ul style="list-style-type: none"> <li>• Injuries to bones, cartilage, tendons and periosteum</li> <li>• A first aid go to for abrasions, injuries</li> </ul> <p>Arnica Montana Origin: Relative of the common daisy</p> <ul style="list-style-type: none"> <li>• First indicated remedy for trauma</li> <li>• Addresses old injuries as well</li> <li>• post surgical remedy</li> <li>• addresses pain and inflammation</li> </ul>
Dog/Cat/Horse Friendly?	Yes

	PHYTO SYNERGY – Foundational Nutrition/ Super Antioxidant
Primary Concern	<p>This potent product has extreme anti-oxidant benefits, is amazing as daily preventative, proactive, foundational whole food nutrition. Great for sick and senior animals.</p> <p>Just a few of the areas that phytoplankton can target are:</p> <ul style="list-style-type: none"> <li>• Skin health</li> <li>• Mobility/joint health</li> <li>• Improved cellular function (healthier organs)</li> <li>• Decreased inflammation</li> </ul>

	<ul style="list-style-type: none"> <li>• Digestion support</li> <li>• Increased energy</li> <li>• Decreased hyperactivity</li> <li>• Decreased anxiety</li> <li>• Detoxification</li> </ul>
What does it do?	<p>Phyto Synergy 100% pure marine phytoplankton is complete cellular structure that provides nutrition that absorbs and resonates with the body's synergistic process. Phytoplankton is a whole food, not a supplement and is the foundational source of nutrition for the ocean. Fish get all their omega 3s from it and these omega 3s are the same essential fatty acids your dog needs. This incredible single-celled organism offers trace minerals, chlorophyll, essential amino acids, EPA, protein carotenoids, antioxidants, amino acids and vitamins. The Phyto Synergy blend contains extraordinary amounts of Super Oxide Dismutase molecule, known as the "king of the antioxidants" and the "molecule of life".</p> <p>When you incorporate it as part of your animal's daily food you are supporting their entire body, overall health, and longevity.</p> <p>Our phytoplankton is grown sustainably on land in a state of the art facility using Atlantic Ocean water which is filtered of the heavy metals that ALL ocean products have, including fish oils. It's environmentally ethical, fully sustainable and non-GMO.</p> <p>Phytoplankton is the main food source for all oceans and the reason fish and squid contain omega 3 fatty acids!</p>
How to feed it	1/16 tsp (half of included scoop) once per day. Can be mixed in with food. 32g & 15g sizes available. 15gm contains approx. 45-50 servings. Store in a cool, dry place.
Ingredients	100% pure proprietary blend Marine Phytoplankton
Dog/Cat/Horse/ Bird/Ferret Friendly?	Yes

	RAW HEMP OIL – Foundational Nutrition – Essential Amino & Fatty Acids
Primary Concern	<p>Great for your pet if they suffer from seasonal allergies or excess shedding.</p> <p>Hemp is highly beneficial source of essential fatty acids and offers healthy Omega 3 and Omega 6. Essential fatty acids have shown to be beneficial for arthritis.</p> <p>This cold pressed Canadian Hemp Seed Oil is grown with no pesticides/ herbicides and acts as an anti-inflammatory for your pet.</p>

What does it do?	<ul style="list-style-type: none"> <li>• Omega 3 helps control your pet's inflammation, ease arthritis pain, benefits the heart and kidneys, increases trainability and improve mood.</li> <li>• Omega 6 helps your pet fight infections and promotes healthy skin and a shiny coat.</li> <li>• For kibble fed dogs we recommend a rotation of hemp and krill oils/sardines</li> <li>• Avoid using with poultry, instead use flax, chia, krill oil or sardines</li> </ul> <p>This product supports:</p> <ul style="list-style-type: none"> <li>• Heart</li> <li>• Skin</li> <li>• Coat</li> <li>• Immune System</li> <li>• Brain</li> <li>• Joints</li> <li>• Hormones</li> </ul>
How to feed it	<p>Daily dose is based on size of animal. (Oral Administration)</p> <p>1-5 lbs - 1/4 tsp</p> <p>6-15 lbs - 1/2 tsp</p> <p>16-39 lbs - 1 tsp</p> <p>40-59 lbs - 1 1/4 tsp</p> <p>60-89 lbs - 1 3/4 tsp</p> <p>90+ lbs - 3 tsp max</p> <p>Add to food once per day or split daily dose between meals.</p>
Ingredients	100% pure cold pressed Cannabis sativa (Hemp Seed) oil
Dog/Cat/Horse/ Bird Friendly?	Yes

	ANTI-VACCINOSIS – Assist in the removal of associated vaccine side effects and toxins without removing any vaccine benefits
--	---

Primary Concern	<p>Ideal for pets who have recently vaccinated (can be administered up to weeks, months or years post vaccine). Pet vaccinations can create chronic health issues including allergies, digestive upsets, behaviour issues, joint pain and most other inflammatory, auto-immune problems.</p> <p>Also suitable for animals who have been diagnosed with any auto immune disease.</p> <p>There is a correlation with the increase in benign and cancerous tumours amongst animals located at the vaccine site.</p>
What does it do?	Helps to remove the vaccine side effects without removing the vaccine benefits.
How to feed it	<p>Convenient pump spray – give four pumps twice a day for 2-10 days following a vaccine. Give this spray 20 minutes before meals.</p> <p>Ideally should be administer immediately after vaccine, however can also be given to animals who have never been vaccinated or vaccinated months or years previously.</p>
Ingredients	<p>Thuja</p> <p>Origin: Northern White Cedar/Arbor Vitae/Tree of Life</p> <ul style="list-style-type: none"> <li>• Primary vaccinosis remedy</li> <li>• Used for canine papillomas</li> </ul> <p>Silicea (Silica)</p> <p>Origin: Pure flint, silicon dioxide - a natural chemical compound found in the earth</p> <ul style="list-style-type: none"> <li>• Helps to remove toxic reaction from vaccinated animals</li> <li>• Used to push foreign objects to the surface</li> <li>• Helps with boils/abscesses</li> <li>• Useful for blocked tear ducts and salivary glands</li> </ul>
Dog/Cat/Horse Friendly?	Yes

	LIVER TONIC – Support/ Detoxifier
Primary Concern	<p>Many pet who suffers from allergies, yeast or any disease can likely have a toxic liver. Liver tonic is a must have for pets with kidney disease, mast cell tumours and pancreatitis. Liver Tonic can regulate the histamine response.</p>

	<p>Adjunct therapy for dogs ,cats and horses for skin disease, liver tumors or liver health, Cushing's disease, cancer, toxins, pancreatitis, kidney disease or supporting the side effects of drugs that need to be used like seizure medication.</p> <p>Also for pets with high histamine levels that can include short-faced breeds.</p>
What does it do?	<p>The liver compensates for all diseases, from allergies, cancer, faulty immune system, unhealthy gut...</p> <p>Liver tonic will help regenerate healthy liver cells and boosts the organ's ability to filter toxins from the blood. Aids in proper function of histamine (associated with allergies, chronic inflammation), protein synthesis and biochemical production for digestion.</p> <p>This product will also support the entire digestive system, including the pancreas, gall bladder, kidneys and gut, assisting them to heal at the same time. Extremely helpful for cats to support healthy kidneys or with kidney disease.</p> <p>For healthy dogs, be sure to give liver tonic every spring and autumn. Combine with Love Bugs to fight viruses, spring and autumn allergies and support the body.</p>
How to feed it	<p>Squirt directly into your pet's mouth or add to food 2 times per day (½ dropper = 0.5ml).</p> <p>Cats/dogs under 60 lbs 1/2 dropper (0.5ml) twice per day</p> <p>Dogs over 60 lbs 1 dropper (1.0ml) twice per day</p> <p>For chronic/symptomatic animals - Can be used for longer than 60 days for dogs with elevated liver enzymes or other chronic conditions. Consult your veterinarian.</p> <p>Use twice yearly (spring and autumn) in healthy animals to maintain organ function.</p>
Ingredients	<p>Taraxacum Officinalis (Dandelion Root)</p> <ul style="list-style-type: none"> <li>• Supports liver, gallbladder</li> <li>• Stimulates bile production</li> <li>• Anti-inflammatory properties</li> <li>• Strong, but safe, diuretic</li> <li>• Supports heart, bladder, digestive system</li> </ul> <p>Chelidonium majus (Greater Celendine)</p> <ul style="list-style-type: none"> <li>• Detoxifying herb</li> <li>• Supports liver health</li> <li>• Helps with indigestion, jaundice and sluggish liver</li> <li>• Stimulates bile and pancreatic enzymes</li> </ul> <p>Cardus Marianus (Milk Thistle)</p> <ul style="list-style-type: none"> <li>• Powerful herbal restorative</li> <li>• Protective effects on the liver</li> </ul>

	<ul style="list-style-type: none"> <li>Helps with liver inflammation</li> </ul> <p>Berberis Vulgaris (Barberry)</p> <ul style="list-style-type: none"> <li>Powerful herbal restorative</li> <li>Protective effects on the liver and kidney</li> <li>Helps with liver inflammation</li> </ul>
Dog/Cat/Horse Friendly?	Yes – Horses would use 2 full droppers 2x's per day

	OWIES AND OOPSIES									
Primary Concern	Topical treatment for insect bites, cuts, abrasions, hot spots, burns, itch and wounds.									
What does it do?	Can soothe itch and promote healthy skin									
How to use it	Spray on affected area 2-3 times per day. Try to avoid having your pet lick the topical off before it gets a chance to soak in.  Do not spray directly in eyes or mouth.									
Ingredients	<p><b>Ingredients:</b> Green Tea, Hypericum, Hydrastis, Calendula, Equisetum, Witch Hazel</p> <table><thead><tr><th>Ingredient</th><th>Origin</th><th>Therapeutic Effects</th></tr></thead><tbody><tr><td>Calendula</td><td>Marigold, Calendula</td><td><ul style="list-style-type: none"><li>known as the greatest healing agent</li><li>a first aid go to for abrasions, injuries</li></ul></td></tr><tr><td>Green Tea</td><td>Camellia sinensis</td><td><ul style="list-style-type: none"><li>rich in antioxidants</li><li>polyphenols, which are a class of bioflavonoids, have been shown to have antioxidant, anticancer, antibacterial, and antiviral properties</li></ul></td></tr></tbody></table>	Ingredient	Origin	Therapeutic Effects	Calendula	Marigold, Calendula	<ul style="list-style-type: none"><li>known as the greatest healing agent</li><li>a first aid go to for abrasions, injuries</li></ul>	Green Tea	Camellia sinensis	<ul style="list-style-type: none"><li>rich in antioxidants</li><li>polyphenols, which are a class of bioflavonoids, have been shown to have antioxidant, anticancer, antibacterial, and antiviral properties</li></ul>

	YOUR GO 2 – First response for trauma and injury
Primary Concern	Injury, trauma, pain, inflammatory conditions (fever, ear flare-ups, etc), shock, fear.
What does it do?	<p>The ultimate homeopathic first aid kit in a bottle.</p> <p>Homeopathic combination designed to calm and settle until treatment can be given/booked with a vet or homeopathic practitioner.</p> <p>An on-hand tool to keep handy, supply to dog walker, keep in car, travel kit, etc that's used to derail something severe like trauma, injury, shock. This combo, given en route to the vet, can have a hugely positive impact in a life-threatening situation, such as an injury from being hit by a car or from a dog fight.</p> <p>Great for birds that are feather plucking!</p>

How to use it	<p>One dose = 2 pumps (0.5ml)</p> <p>Give one dose at the first sign of any of trauma, injury, shock, fever, GI upset or inflammation.</p> <p>Give one dose each half hour thereafter for 2 more doses, then every 2 hours for 2 more doses.</p> <p>(**This is up to 5 doses in the first day**)</p> <p>If your animal has steady improvement, one dose can be given 3 times per day for 1-3 days if needed.</p> <p>Here's an example:</p> <p>If your dog has an injury at the dog park at 8am, give:</p> <ul style="list-style-type: none"> <li>• One dose at 8am</li> <li>• Second dose at 8:30am</li> <li>• Third dose at 9:00am</li> <li>• Fourth dose at 11am</li> <li>• Fifth dose at 1pm</li> </ul> <p>The next day, give one dose at 8am, one at 4pm and one dose at 11pm.</p> <p>**This is an example only. It can be given en route to the vet clinic as described in day one above.</p> <p>Give the dose directly into the mouth and avoid food/water for 20 minutes before and after dosing.</p>
Ingredients	<p><b>Homeopathic Arnica Montana</b></p> <p>One of the best-known homeopathic remedies. It's an herb that grows mainly in Siberia and central Europe, as well as temperate climates in North America. Indicated for trauma, bruising, pain, swelling, inflammation, fear.</p> <p><b>Homeopathic Aconite</b></p> <p>One of the oldest homeopathic remedies. Well-known for acute, sudden-onset situations. Indicated for pain, hypersensitivity, fear, trauma, fever, stomach issues.</p>

	Prepared in a 13% alcohol base.
Dog/Cat/Horse/ Bird/Ferret Friendly?	Yes

	EASY PEESY PROTOCOL – Bladder support
Primary Concern	Bladder infections, urinary tract infections, urinary crystals
What does it do?	<p>Support the body in the dissolution of urinary crystals</p> <p>Support bladder health</p> <p>Supports bladder health and the creation of an environment that will discourage crystal formation.</p> <p>Helps to support the body's defence against recurring bladder and urinary infections</p>
How to feed it	<p>2 product kit:</p> <p>The protocol contains detailed instructions following these simple steps:</p> <ol style="list-style-type: none"> <li>1. Easy Peesy I - Administer orally (4 pumps) twice per day for 30 days</li> <li>2. Easy Peesy II - Administer orally once per day (as per weight dosage chart)</li> </ol> <p><u>For Maintenance and Support</u></p> <p>Administer orally - 4 pumps once per day for 14 days. Repeat 3 times per year if your animal has a history of crystals.</p>
Ingredients	<p>Easy Peesy I Homeopathic Combination 30ml Liquid</p> <p>Easy Peesy II Nutraceutical Powder 50.4g Powder</p>
Dog/Cat Friendly?	Yes

	<b>YEASTY BEAST PROTOCOL</b> – This cutting-edge protocol targets yeast like no other product on the market.
Primary Concern	Yeast infections, itchy skin, red feet/licking paws constantly, ear infections, yeast build up in wrinkles and skin folds
What does it do?	<b>3 Step Kit</b> The kit helps combat yeast and supports the immune system, while avoiding an intense Herxheimer reaction (toxic yeast die-off) which can look like the yeast is getting worse. This often leads to more drugs (ex. antibiotics, steroids and antifungals) there by continuing the merry go round of chronic skin problems and gut trauma.
How to feed it	<b>PRE-STEP</b> Remove starches from the diet for 2 weeks by feeding a raw/starch free diet. <b>STEP 1</b> Give the liver tonic on its own for the first 3 days to prepare the liver and organs so they can manage the dead yeast. <b>STEP 2</b> Give the Yeasty Beast 1 to support the skin and immune system during the detox. <b>STEP 3</b> Give the Yeasty Beast II powder ideally two hours before or after meals so the enzymes can attack the yeast. Mix with goat milk, bone broth, small amount kefir or small amount of meat.  Once the yeast die-off is complete, consider moving your dog to the leaky gut protocol to solve the root cause. It is also a good idea to start your dog on a quality probiotic such as Love Bugs or Fido's Flora once you have completed the Yeasty Beast Protocol.
Ingredients	Liver Tonic Ingredients:  Mother tincture of Taraxacum Officinalis, Chelidonium majus, Carduus Marianus, Berberis.  Inactive Ingredients: Organic Vegetable Glycerine, Water  Liver Tonic Ingredients:  Mother tincture of Taraxacum Officinalis, Chelidonium majus, Carduus Marianus, Berberis. 	LEAKY GUT PROTOCOL – this protocol provides simple steps to aid in healing at the root cause.
Primary Concern	<p>Dogs can develop a leaky gut often caused by poor diet, drugs and other toxins (steroids, flea and tick treatments, anti-biotics) and over vaccination. Dogs can also be born with leaky gut passed on by the mother.</p> <p>Leaky Gut can be the core issue of imbalances such as:</p> <ul style="list-style-type: none"> <li>• Allergies</li> <li>• Skin conditions</li> <li>• Ear infections</li> <li>• Eye problems</li> <li>• Collapsing trachea</li> <li>• Digestive problems</li> <li>• Low energy</li> <li>• Behavioural issues</li> <li>• Joint pain</li> <li>• Bad breath</li> <li>• Autoimmune conditions</li> <li>• Liver, pancreas or gallbladder</li> </ul> <p>In case of extreme allergies where you know there is a large yeast overgrowth, the Yeasty Beast Protocol should be used first to rid the digestive tract of systemic yeast.</p>
What does it do?	<p>Rather than suppressing the issue, leaky gut protocol helps targets the root cause of the above listed issues and to repair the foundation of the gut. The leaky gut protocol will help the mucosal junctions to heal and close.</p> <p>Leaky Gut consists of five Adored Beast products:</p> <p>Product 1 (pre-step): Anti-Vaccinosis</p> <p>Removes the associated vaccine side effects without removing any vaccine benefits.</p> <p>Product 2: Liver Tonic - detox/organ support</p>

	<p>Helps regenerate healthy liver cells and boosts the organ's ability to filter toxins from the blood. Aids in proper function of histamine (associated with allergies, chronic inflammation), protein synthesis and biochemical production for digestion.</p> <p>Product 3: Healthy Gut - digestive enzyme/ pre and probiotic</p> <p>Helps rebalance and cultivate proper growing conditions for friendly digestive flora destroyed through antibiotics and toxins. Aids in the digestion of food supporting less reactivity in the blood stream until the gut heals and supports a healthy immune system.</p> <p>Product 4: Gut Soothe - replenish/anti-inflammatory/pre and probiotic</p> <p>A proprietary blend of herbs, nutraceuticals and pre &amp; probiotics that soothe and replenish the lining of the bowel, fight yeast and combats unhealthy bacteria. With 30billion CFU wide-spectrum probiotic.</p> <p>Product 5: Gut Seal - strengthener</p> <p>A homeopathic remedy that helps restore, strengthen and tighten the separated "leaky" junctions of the gastrointestinal lining. Consult labels for ingredient list, instructions and dosages.</p>
How to use it	<p><b>5 Step Kit</b></p> <p>Complete the 2 day pre-step Anti-Vaccinosis before moving onto the other products.</p> <p>After completing the 2-day pre-step, begin products 2, 3, 4 and 5 at the same time. These products can be given in food together, as directed.</p> <p>Note: If your dog has a sensitive stomach it is recommended that Healthy Gut is given at 1/2 the recommended dose, slowly working up to a full dose over the course of 1-2 weeks.</p>
Ingredients	<p>Ingredients in Leaky Gut Kit:</p> <ul style="list-style-type: none"> <li>• Healthy Gut: ox bile substance (3.5 mg), papain 50 000 pu (5 mg), betaine hcl (10 mg), bromelain 2400 gdu (15 mg), pancreatin 8x (50 mg), larch arabinogalactan (800 mg), multi strain probiotic blend (30 billion cfu).</li> <li>• Anti-Vaccinosis: homeopathic thuja, silicea.</li> <li>• Gut Soothe: aloe vera 200:1 (5 mg), marshmallow root 4:1 (100 mg), l-glutamine (250 mg), n-acetyl glucosamine (300 mg), deglycyrrhizinated licorice (375 mg), larch arabinogalactan (500 mg), slippery elm bark (540 mg), multi strain probiotic blend (30 billion /milliards cfu).</li> </ul>

	<ul style="list-style-type: none"> <li>• Liver Tonic: mother tincture of chelidonium, traxacum officinate, berberis, cardus marianus, distilled water, alcohol.</li> <li>• Gut Seal: homeopathic arnica, calendula, collagen, thiosinaminum.</li> </ul>
Dog/Cat Friendly?	For cats – Use only at 1/2 recommended dosage by weight of Gut Soothe
