- Easy Customer service components

Enjoy in the comfort of
your own home

Tested to have the
Lowest Electromagnetic Fields
EMF & EMR of any Infrared Sauna

THERASAGE

Thank you for your order of our Personal Portable Infrared Sauna

We know you will enjoy all of its benefits.

When you unpack this product, we urge you to read the User Guide for instructions on how to operate the sauna, how to store and clean it, as well as its cautions and precautions.

It is Therasage's mission to deliver the most therapeutic and economical Portable Infrared Sauna available. We have double insulated and shielded this product to

protect you from harmful EMFs and their effects. We also have incorporated the most advanced applications in both Energized Air technology, to balance the body and to create an Earthing effect. Our materials have been specially selected and tested to assure they are free of any toxins and tested to meet the highest international standards.

Our factory and our fulfillment centers inspect each sauna to insure this highest quality. In the unlikely event that your package is delivered with a "new product smell," the solution is simple. We recommend that you run the sauna for a day, allowing the full spectrum infrared and the enriched air technology to cleanse the sauna's ambient air.

For set up instructions please see our user guide or visit our website at <http://therasage.com/frequently-asked-questions/instructional-videos.html>

Enjoy your Sauna !

INSTRUCTIONS FOR ASSEMBLY, CLEANING AND STORAGE

Prior to using your Sauna for the first time, check to insure that all the parts are included in your shipping box.

Parts List:

1. One contiguous frame of side walls and back wall, the interior of which has heating elements and TheraDisk™ panels
2. Electronic control box attached to the back panel
3. Controller – for heat and time
4. Folding Chair
5. Grey Foam Floor Cushion
6. Cross Bar frame support pole
7. Two terrycloth collars
8. Infrared Heated footpad
9. Special Infrared front support panel

Keep all sharp objects away from the sauna as they may cause damage. This product contains an electrical component which if punctured or tampered with could cause damage or injury.

TO ASSEMBLE:

- Step One: Unfold both side walls of the Sauna so it stands upright.
- Step Two: Close the zipper from the bottom of the back wall towards the front.
- Step Three: Place the foam floor cushion in place, shiny side facing up.
- Step Four: Place the folding chair on the floor cushion.
- Step Five: Place the footpad, printed side up in front of the chair.
- Step Six: Plug electrical power cord into a standard outlet.
- Step Seven: Once seated inside, zip the cabin up about 18 in, then place the front heat panel firmly against the bottom front part of the cabin, so the panel will support the cabin structure. Place the support pole (not meant to be leaned on when using) in their respective clips to add upper structure to the cabin.

Your Sauna is ready for controller operation and use. Congratulations...

THERASAGE

THERASAGE 360 Assembly of the Portable Infrared Sauna

Zip the bottom floor zipper to secure the base of the Portable Sauna.

Place the water-resistant foam floor down on the bottom perimeter of the sauna and to secure the shape of the sauna.

Place the chair and foot pad on the floor. Position the front Infrared panel on right side until you enter and are sitting in the sauna. To complete the setup, move front support panel in place. Lastly, place the front non-weight bearing cross bar to support the front structure of the cabin structure.

Your Portable Infrared Sauna comes complete with Portable folding chair, extra zip out collar, Infrared footpad Infrared front panel and user guide. If you are missing a part, please contact Therasage at: Customer Service # 888-416-4441 www.therasage.com

TO CLEAN, FOLD, AND STORE

Open the zipper to ventilate and cool. After each use, remove any condensation or perspiration from the chair and the interior of the unit with a clean damp cloth. Do not use any cleaning agents or solvents. The removable terrycloth collar may be machine washed separately in warm water. After the Sauna has been wiped off and is fully cooled, simply reverse the steps above to fold for storage. If left assembled, unplug the power cord after each use.

THERASAGE

INSTRUCTIONS FOR THE TIME AND TEMPERATURE CONTROLLER

Attached to the power box is a remote, hand held controller to adjust both time of use and level of heat. To use, simply press the "POWER" button on the controller. The LED display will show the default temperature setting and the default time. Press the "Power" button on the right side of the controller to turn on unit. The Infrared heating panels will begin heating. An indicator light on the controller will turn on. The footpad and front panel heat will come on automatically.

Temperature Settings: The controller is programmed with seven levels of temperature settings. The maximum Level 170F is high; Level 150F is the default setting ; and Level 100F is low. The temperature level can be changed by pressing the "↑" or "↓" on the Temperature Display at the left of the controller.

Time Settings: The controller is programmed to provide a time control for use, counting down from the established time period. The default setting is 60 minutes, maximum setting for this safety shut-off feature is 90 minutes. The time setting may be changed by pressing the "↑" or "↓" button under the Time Display.

When your sauna session is completed, a series of three beeps will sound to advise you that the session has come to end. If you want to continue the session, simply reset the controller.

CAUTION: Please be aware that the chair, especially its metal frame, will warm and increase in temperature when used.

WARRANTY

Limited Warranty for one year. For complete details of this product's warranty coverage, duration and conditions, please see the enclosed Warranty information or contact

THERASAGE

INSTRUCTIONS AND PRECAUTIONS

1. This is a product for relaxation. This product is not intended for use by persons with reduced physical, sensory, or mental capabilities. If you are under 18 years of age, elderly, or infirm, you should consult with a healthcare professional before using this product.
2. If you are pregnant, or have diabetes, a pacemaker or defibrillator implant, a blood-based disorder, a skin disease, a respiratory condition, a heart condition, high or low blood pressure, any medical condition or are under medical care, you should consult with a healthcare professional before using this product.
3. Stop using the Sauna immediately if you feel uncomfortable, dizzy, or sleepy.
4. Staying in the Sauna too long may cause overheating. Initially it is recommended that the sauna not be used for more than 30 minutes per session by any one user, unless otherwise instructed by healthcare professional.
5. It is recommended to stay well hydrated with water and replace electrolytes lost during perspiration.
6. Do not use in or around water due to the danger of electrical shock. This product is designed for indoor use only.
7. Do not position this Sauna near sources of heat or electromagnetic radiation such as radiators, heat registers, stoves, television sets or magnetized objects.
8. Sharing power sources with unrelated products, overloading power cords and strips and using non-standard power sources are not recommended.
9. If smoke is ever detected from this product, immediately unplug from the outlet and contact the Customer Care Department at Therasage during standard business hours.

THERASAGE

Limited Warranty

1. WHAT THIS LIMITED WARRANTY COVERS AND HOW LONG

This Product includes the product itself, and, unless specifically excluded below, all material, parts, and components related to functionality. This Limited Warranty applies only when all of these parts are genuine Therasage components. Cosmetic components are not covered by this Limited Warranty.

a) **COVERAGE** Subject to the limitations and exclusions below, and for the duration of the applicable Warranty Period, Therasage, and any of its affiliates, ("Seller") warrants that the Product's components will be free from material and functional non-conformities in material and workmanship under normal and reasonable consumer conditions.

b) **WARRANTY PERIOD** For the one year period of this Warranty, Therasage, at its discretion, will repair or replace any defective part, component, mechanism, or material. This warranty coverage shall include all defective parts, but shall exclude all labor charges. The Warranty Period shall commence upon purchase of the product by the end-user consumer from an authorized dealer. Each consumer is urged to register the Product through the Warranty Registration Form attached hereto. This Limited Warranty is not transferable. This Warranty can only commence once proof of purchase (or gift) is provided.

2. WHAT THIS LIMITED WARRANTY DOES NOT COVER

a) **GENERALLY** This Limited Warranty does not include non-conformities or damages attributable to or arising from: • Minor scratches or minor visual imperfections • Negligence; improper use, installation, finishing, maintenance operation inconsistent with Seller's recommendations and written instructions that are generally available in Seller's Product Manual as updated by bulletins or other written communications or on Seller's Worldwide website www.therasage.com. • Improper storage, including inadequate shelter or inadequate venting of shipping wrap in humid locations • Misapplication of use, commercial use, or use other than generally intended • Normal wear and tear • extraordinary force majeure

THE RASAGE

b) **CERTAIN CONDITIONS** This Limited Warranty does not guarantee health claims. Further, this Limited Warranty does not cover damage attributable to or caused by acts of God that include, but are not limited to, power surges, stresses, fire and other conditions that exceed Product designs. Seller is not responsible for claims or damages caused by water or condensation infiltration.

3. THIS LIMITED WARRANTY'S EXCLUSIVE REMEDY

If the Product or any components fail to meet this Limited Warranty, Seller's sole obligation is to either (as Seller elects): a) repair the component (color matching not guaranteed); or b) provide replacement component's) to the Warranty Holder or the Seller's dealer designated (color matching not guaranteed); or c) refund the Warranty Holder's purchase price (the lesser of the original Product/component purchase price or the original catalog list price). Repaired or replaced components are warranted only on the same terms and for the remainder of the Warranty Period. Seller reserves the right to discontinue or change any Product. If the Product or component is not available, Seller may select and provide a replacement Product or component of equal quality and price. This is the Warranty Holder's sole and exclusive remedy for the Product under this Limited Warranty. By example but not limitation, this Limited Warranty does not cover the following costs and expenses: (i) labor; (ii) shipping/ freight expenses to return the Product to Seller, or Seller's designated service center; (iii) normal maintenance; or (iv) consequential, special, or indirect losses or damages of any kind.

4. DISCLAIMER OF WARRANTIES

THIS LIMITED WARRANTY IS IN LIEU OF AND EXCLUDES ALL OTHER WARRANTIES NOT EXPRESSLY SET FORTH HEREIN, EXPRESSED OR IMPLIED BY OPERATION OF LAW OR OTHERWISE, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. TO THE EXTENT THAT ANY IMPLIED WARRANTIES MAY NONETHELESS EXIST BY OPERATION OF LAW, SUCH WARRANTIES ARE LIMITED TO THE DURATION PROVIDED BY LAW. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATIONS MAY NOT APPLY. SELLER DOES NOT AUTHORIZE ANYONE TO CREATE FOR IT ANY OBLIGATION OR LIABILITY IN CONNECTION WITH PRODUCTS.

THERASAGE

5. LIMITATION OF LIABILITY

SELLER'S SOLE LIABILITY UNDER THIS LIMITED WARRANTY IS REPLACEMENT, REPAIR, OR REFUND OF THE PURCHASE PRICE AS SET FORTH ABOVE. IN NO EVENT, WILL SELLER BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL, INDIRECT, SPECIAL, OR PUNITIVE DAMAGES INCLUDING, BUT NOT LIMITED TO, DAMAGE OF ANY KIND TO A PREMISES, LOSS OF PRODUCT USE, LABOR, LOST PROFITS/REVENUE, INTEREST, LOST GOODWILL, WORK STOPPAGE, IMPAIRMENT OF OTHER GOODS OR WORK, INCREASED OPERATING EXPENSES, EMOTIONAL DISTRESS CLAIMS, LOSS OF CONSORT CLAIMS, OR CLAIMS OF THIRD PARTIES FOR SUCH DAMAGES, WHETHER BASED ON CONTRACT, WARRANTY, TORT (INCLUDING, BUT NOT LIMITED TO, STRICT LIABILITY OR NEGLIGENCE) OR OTHERWISE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.) SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY. THIS LIMITED WARRANTY PROVIDES SPECIFIC LEGAL RIGHTS BUT WARRANTY HOLDER MAY HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE. IF THIS LIMITED WARRANTY IS DEEMED TO HAVE FAILED OF ITS ESSENTIAL PURPOSE, IN NO EVENT WILL SELLER'S ENTIRE LIABILITY EXCEED THE LESSER OF THE PRODUCT'S OR THE NON-CONFORMING COMPONENT'S PURCHASE PRICE.

6. CLAIMS

Claims must be initiated during the Warranty Period. To initiate a claim, please contact Therasage, Attn: Customer Service, 21000 Boca Rio Road, Suite A-21C, Boca Raton, Florida, 33433-1551, or by writing Info@therasage.com. Claimant will be required to provide proof of purchase and the date of Product purchase (unless the Product was registered at the time of purchase) and may be required to return the Product or component to Seller (at Claimant's expense).
