1. If your purchase requires multiple pearls, label their placement using 1, 2, 3... Number 1 will be the top or far left placement for the first pearl.
2. For multiple orders or pearls, place each one in a small bag with a note for clarity.
3. Send the labeled pearls along with this form, and we'll fulfill your order within 1 week.
4. If pearls are not received in 30 days, jewelry will be set with white pearls.
