

A guide to change the firmness of your
Premium Adapt Mattress
(Previously Mattress Plus)

Life is better together.
Please assemble with
two people.

Your mattress comes with 3 firmness levels out of the box.

Soft

Medium
(default)

Firm

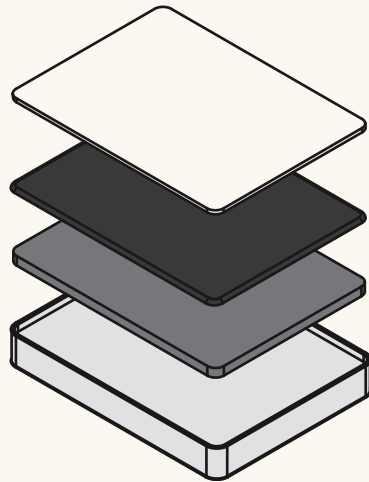

Customise your mattress by rearranging the two inner foam layers to achieve different firmness levels.

Top Cover

Comfort Foam Layer

Support Foam Layer

Base

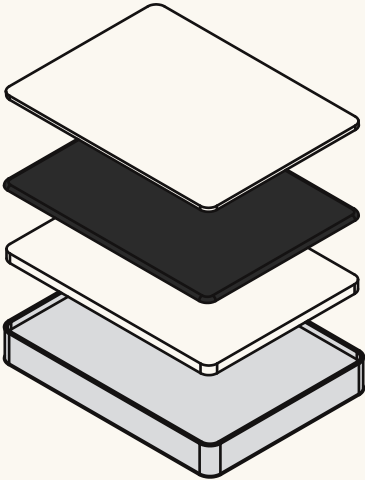

The Comfort layer can be flipped to have either Side A or Side B facing up.

Top Cover

Comfort Foam Layer

Support Foam Layer

Base

Side A

Side B

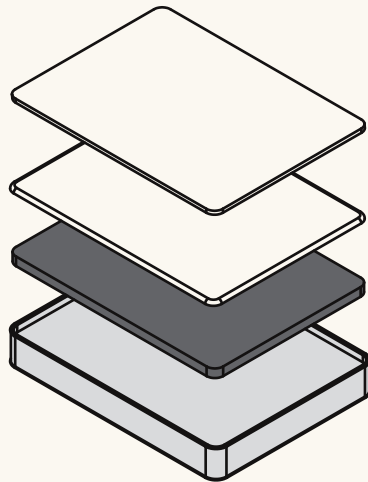

The Support layer has its own inner cover. Both sides are the same.
