

TEAM KIT BROCHURE

CUSTOM TEAM KIT BROCHURE

Here at SwimPath we provide bespoke team kit for clubs in the most time efficient and cost-effective way. That is why we employ a monthly ordering system that does not require the need for bulk forward orders and enables club members to place orders weekly to receive their team kit the following month. As a result, we can offer bespoke designs that are ideal for your club's needs, alongside a hassle-free service for your committee.

We can offer commission from monthly team kit orders to give back to your club.

When partnering with SwimPath, ordering team kit is easy:

Club kit designs are agreed with the club and are placed on a custom team page on the SwimPath website, providing a safe and secure environment for online purchasing.

1. Club members can view all club kit from this page and place orders on the SwimPath website.
2. All orders are collated at the end of each month and sent out directly to the member by the following month.
