

Alio's Eco-Friendly Air Care Products to Debut at The Inspired Home Show in Chicago  
*Neutralize your odor-filled spaces without the need for oils, flames or plug-ins.*

Discover what the future of home air care is like by checking out our eco-friendly, oil-free line of products at

The Inspired Home Show in Chicago,  
March 14-17, 2020.

Alio's Oil-Free Reed Diffusers and NEW Hang Anywhere air fresheners don't mask unwanted odors--they neutralize

them! Their odor eliminating technology destroys pesky odors that lurk in bathrooms, gym bags, pet spaces, and more at the molecular level, leaving behind a subtle fresh scent.

"Candles, plug-ins, and sprays simply layer their aroma over the smell, leaving you with either too much scent or a mix of good and bad," said alio founder and CEO Adam Bell. "Our products attract and then absorb the smell using a non-toxic odor neutralizing technology without the use of flames, electricity or spillable oils.

## Alio Oil-Free Reed Diffuser and Hanging Air Freshener:

- OIL-FREE** - No spill design is safe to use around kids and pets
- MADE WITH ODOR ELIMINATING TECHNOLOGY** - Alio reeds and hanging air fresheners are infused with a powerful odor neutralizing formula and light fragrance
- ECO-FRIENDLY** - Made from natural wood resin harvested from locally sourced, sustainably harvested trees
- VERSATILE** - Use the vase of reeds for a whole room or place individual reeds in smaller spaces like drawers, stinky shoes, or lockers
- FRAGRANCE INFUSED** – Custom blended fragrances leave a fresh, “subtle” scent
  - o Reeds are available in *Cedar & Teak, Fresh Cucumber, Jasmine Rain, Lavender Beeswax, Soft Blanket and Warm Vanilla*
  - o Hanging Air Fresheners are available in *Cedar & Teak, Jasmine Rain, Lavender Beeswax, Soft Blanket and Unscented*
- REFILLABLE** – Reed refills are available in all 6 fragrances.
- MADE IN THE USA** - Alio is a family-owned business in NJ that wants to help keep the air around you “FRESH”!

Alio will have both of their breakthrough air care solutions on display at Booth N7733 from March 14-17 at The Inspired Home Show in Chicago.
