

Quick Reference Guide - Tiiwee Home Alarm System - PIR

Connect a tiiwee PIR Motion Detector to the A1 or A2 Siren in 4 easy steps:

A2 Motion Detector Siren	A1 Siren (Home Alarm Starter Kit)	STEPS
		<p>1.</p> <p>Press the SET button for 5 seconds. This activates the pairing mode</p> <p>A1 Siren: 4 LED's are now on</p> <p>A2 Siren: The detection window is on continuously. This means that the A2 is ready to be connected to a door sensor.</p>
		<p>2.</p> <p>Only A1 Siren : Short press the SET button to select the first zone. The top LED is now on. Short press again to select other zones.</p>
		<p>3.</p> <p>Activate the PIR motion detector by waving your hand in front of it. The A1 and A2 confirm correct connection by 2 beeps.</p>
		<p>4.</p> <p>Press the On/Off Button on the Alarm unit to exit the pairing mode</p>

IMPORTANT:

Please also refer to the user manual of the Tiiwee Home Alarm Kit or the A2 Motion Sensor Alarm. Only use original tiiwee products to ensure compatibility.
