

# Shoe Size Guide

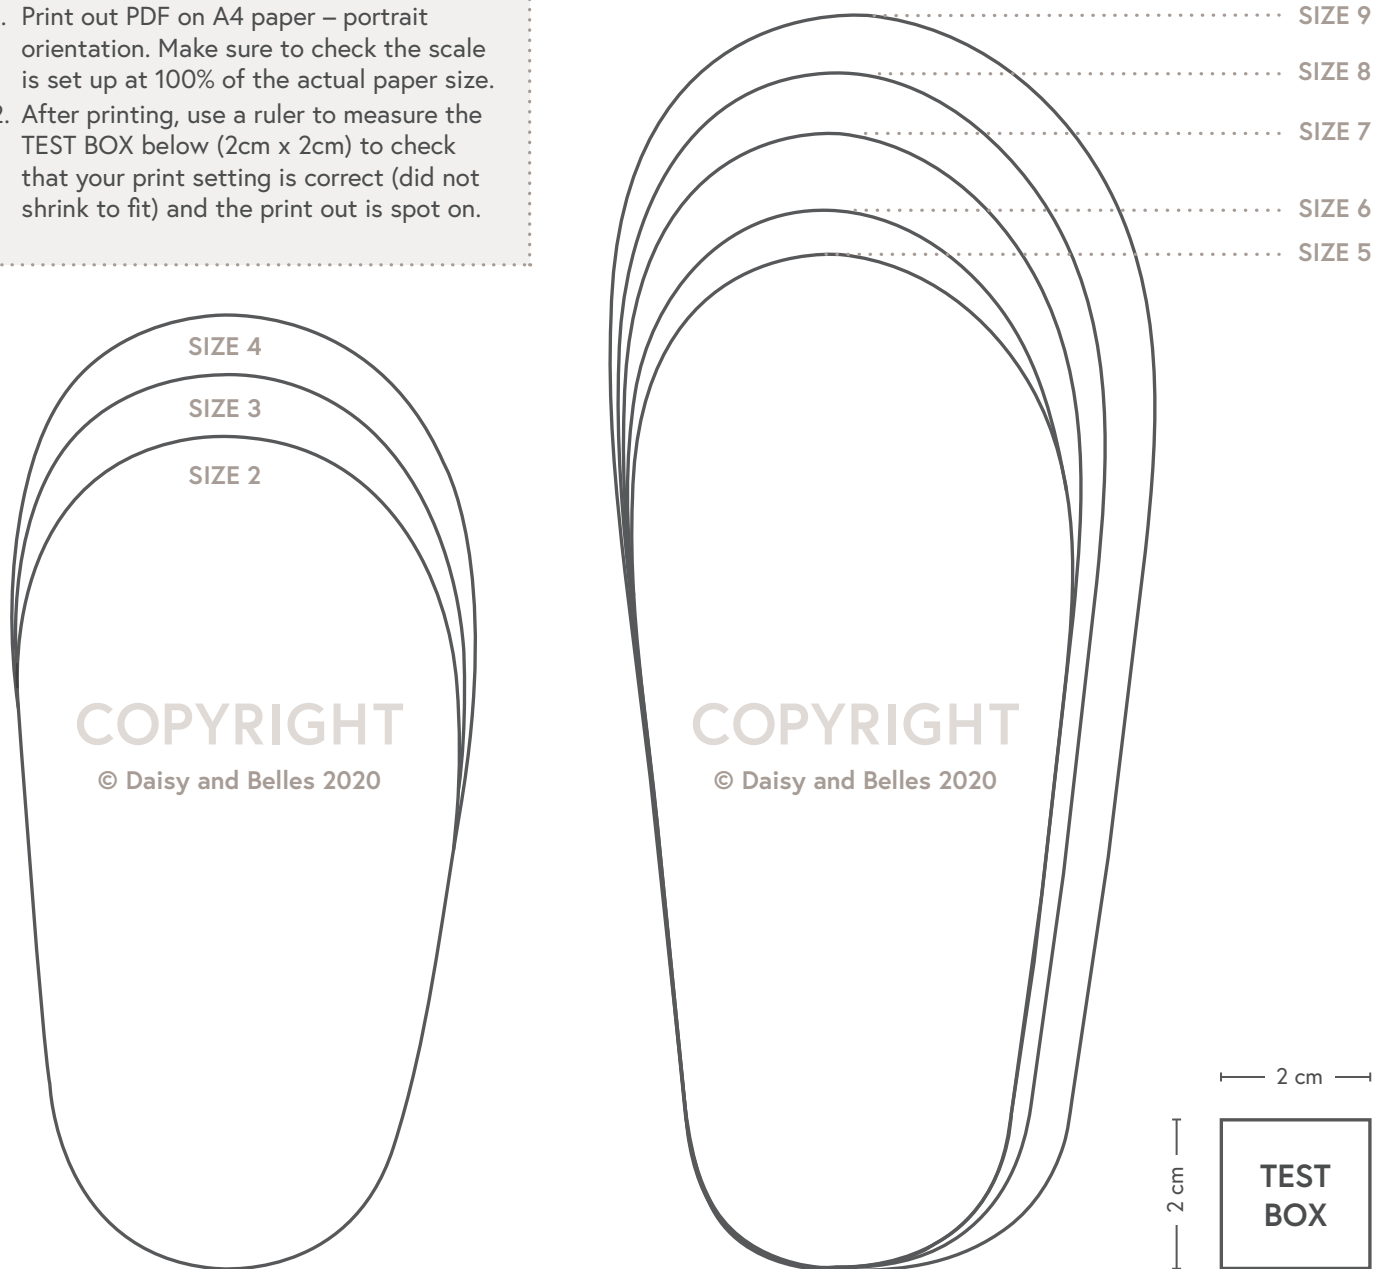

To help you make an informed decision when purchasing Isabellita shoes for your little one, please print this shoe size guide and follow the instructions below:

## PRINTING INSTRUCTIONS

1. Print out PDF on A4 paper – portrait orientation. Make sure to check the scale is set up at 100% of the actual paper size.
2. After printing, use a ruler to measure the TEST BOX below (2cm x 2cm) to check that your print setting is correct (did not shrink to fit) and the print out is spot on.
