

# LETTERING COMPOSITION WORKSHEET

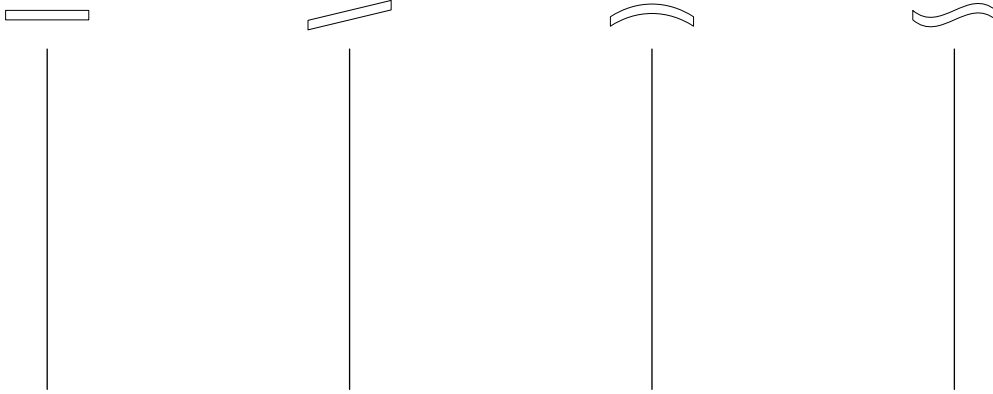

## STEP 1

Write down your quote and encircle your important word(s).

*TIP: Don't forget to check your spelling and grammar.*

## STEP 2

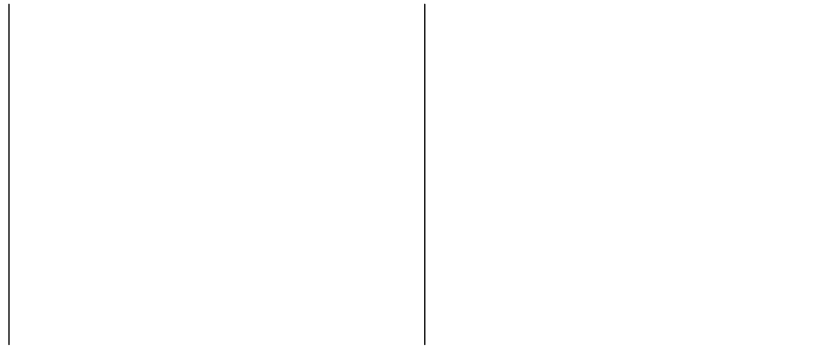

Sketch four layout options. (Try using different shapes for the important words)

*TIP: Use the center guide to keep your layout balanced and centered.*

## STEP 3

Pick one layout and try different lettering styles.  
(Experiment with sans serif, serif, and script letters)

*TIP: Make sure the first letter of your word touches the left boundary of your shape, and the last letter touches the right boundary.*

## STEP 4

Sketch your final lettering.

*TIP: You can use the Composition Ruler to draw your layout guides accurately.  
TIP: Add embellishments and designs for a more interesting layout design.*
