Carbon Fiber Rain Guard

The CORSA Performance Dodge Hellcat Carbon Fiber air intake is made from pure 100% carbon fiber construction and pairs aesthetics and engineering for maximum strength and performance. Compared to stock; the optimized shape of the CORSA Performance air intake duct, combined with high-performance filtration, increases overall performance and fuel economy. Dyno tuned for maximum results, the CORSA Performance Hellcat Carbon Fiber Air Intake produces up to an additional 27HP and 23 LB-FT TQ from the supercharged 6.2L HEMI® engine without a tune. The Hellcat® intake comes available in both DryTech and MaxFlow 5 oiled filtration. The Corsa Performance Dodge Hellcat carbon fiber Intake is backed by a Limited Lifetime Warranty to the original purchaser. *Filters are backed by a 1 year warranty.

- 100% Carbon Fiber Construction
- Double Cone Filtration
- Black Powder Coated Aluminum Heat Shield
- Premium Hardware
- Installs in 1 Hour Or Less
- No Tune Required
- Limited Lifetime Warranty
