The CORSA Performance 2017+ Camaro ZL1 Carbon Fiber air intake is made from pure 100% carbon fiber construction and pairs aesthetics and engineering for maximum strength and performance. Compared to stock; the optimized shape of the CORSA Performance air intake duct, combined with high-performance filtration, increases overall performance and fuel economy. Dyno tuned for maximum results, the CORSA Performance Camaro ZL1 Carbon Fiber Air Intake produces up to an additional 19 HP and 28 LB-FT TQ from the supercharged 6.2L LT4 V8 engine without a tune. The ZL1 intake comes available in both DryTech and MaxFlow 5 oiled filtration. The Corsa Performance ZL1 carbon fiber Intake is backed by a Limited Lifetime Warranty to the original purchaser. *Filters are backed by a 1 year warranty.

- 100% Carbon Fiber Construction
- Double Cone Filtration
- Black Powder Coated Aluminum Heat Shield
- Premium Hardware
- Installs in 1 Hour Or Less
- No Tune Required
- Limited Lifetime Warranty
