ABBOTT OUTDOOR COLLECTION

We used naturally rust-resistant galvanized zinc to top our Abbott Rectangular Table, Rectangular Coffee Table and Island, creating an outdoor collection with rugged functionality and eclectic style. The silvery blue metal's aged patina suggests years of use, and provides a handsome contrast to the solid eucalyptus base. Ideal for entertaining, the island is set on casters for mobility and has a slatted shelf. It's fitted with a cast-iron double towel bar on one end, four hooks and a bottle opener on the other. The Round Dining Tables, Console Table, and Round and Square Coffee Tables all feature concrete tops.

BENCHWRIGHT OUTDOOR COLLECTION

We've re-created our popular Benchwright collection in solid acacia for outdoor use while staying true to its inspiration of early 20th-century work furniture. Grooves and saw marks on the wood's surface create the look of salvaged lumber, and oversized bolts add to the rustic feel. Kiln-dried hardwood and mortise-and-tenon joinery provide superb strength and durability. Finished by hand using an exclusive layering technique that results in beautiful depth of color, then sealed with a protective lacquer for moisture resistance.

CHATHAM OUTDOOR COLLECTION

Crafted from solid mahogany and eucalyptus, the Chatham Collection features deep seats, generous arms and gently pitched backs. Each piece is finished in a Honey stain that acts as a protective coat to maintain the surface beauty and integrity of the wood. Add our Outdoor Cushions for extra comfort (sold separately). To extend the life of this collection, we recommend avoiding harsh cleaners and covering with our Outdoor Furniture Covers when not in use. Select pieces are Catalog/Internet items, available to order in the store, and ship to your home.
