

Healthy Cleaning Made Simple.

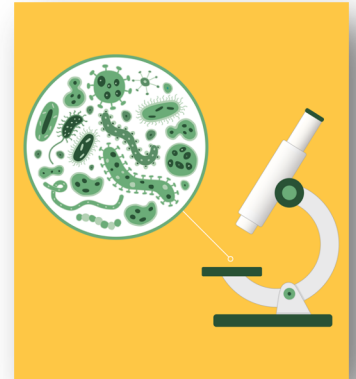

Powered by the Sun and safe for the Earth.

ZolaTerra® is a line of over 200 environmentally safe and highly effective Ready-To-Use, Industrial and Commercial cleaning products for all people, plants, and animals.

How it works:

ZolaTerra® works on a microscopic level using a combination of plant-based solvents, micelles and de-scalers to safely remove all types of grime, from a surface or substrate. ZolaTerra® effectively cleans while near or practically at neutral pH. Simply stated, ZolaTerra® lifts grime to easily wipe, scrub and rinse it away.

Products range from stainless steel and tank cleaner, ink cleaning products, household cleaners, concrete cleaner, chicken house cleaner, paint brush cleaner, boat/teak wood cleaner, roof mold cleaner, degreaser, permanent marker remover, window cleaner, pet products and many more.

ZolaTerra® advantages:

- NATURALLY DERIVED
- ALL-PURPOSE
- PLANT BASED
- BIODEGRADABLE
- NO DYES
- HYPOALLERGENIC
- SAFE FOR SKIN & PET
- MADE IN USA

Products are a combination of plant-based and naturally derived ingredients
 Non-flammable, non-corrosive, and does not contain any caustic or abrasive materials; will not etch
 Safely eliminates unwanted odors

Non-irritating; skin safe and hypoallergenic
 No toxic waste; wastewater is entirely safe for septic/waste water systems¹
 Normal storage and handling conditions

ZolaTerra® is a safe formula that will not trigger allergic responses or irritate skin. This product is safe for use in the presence of small children, chemically sensitive individuals and pets. This product is safe for all surfaces, is readily biodegradable and meets all OSHA and EPA regulations.

Registrations & certifications:

Unlike other "green" products in the market, ZolaTerra® is the only plant-based, biodegradable, food safe cleaning product line certified with the NSF Non-Food Compound Product Registration and USDA Certified Biobased Product designation.

ZolaFinish Stainless Steel Cleaner

ZolaFinish cleans and restores the original stainless steel finish - eliminating the need for cleaner and polish!

ZolaFinish goes on wet to clean and remove grease, oil and odors from stainless steel leaving a fresh, clean surface. Cleans without special handling, eliminates greasy floors from overspray of oily polishes and does not collect airborne lint after use.

Product Details & Benefits:

- Lower costs by replacing 2 products (cleaner and polish) with 1
- Save over 60% in freight costs
- 5 gal of concentrate + water = 55 gal of cleaner (RTU)
- Non-toxic, natural formula replaces caustic cleaners
- Non-corrosive, non-hazardous
- Non-flammable
- No greasy residue from application overspray
- Does not collect airborne lint on surfaces after application
- NSF approved safe for food prep areas
- Biodegradeable
- No odor formula safely removes odors from grease and oil
- Contributes towards LEED certification points & Materials and Resources Credits
- Manufactured and assembled in USA
- Family owned & operated
- Available in sizes from 32 fl oz to 55 gallon drum
