| Text Number | Receive Link | Choose Service | Sign Registry |

Industry's First

TEXTING SIGN-IN OPTION

- We provide you with a mobile number for guests to text.
- We provide you with signage to be used in the service, with the mobile number and instructions to guide guests.
- They simply text the provided number with Funeral Home name in the body of the message.
- The guest will receive a branded link to follow to the digital registry system.
- More than one service? No problem! The guest chooses which one to sign.
- Guest fills in all the information.
- Everything is instantly inside Director's Print Suite Software.
