Engraving Word Count

Most pendants allow two brief lines of text. Character count varies by pendant. A space is considered a character.

Engraved Graphics

Common symbols such as hearts, infinity signs and doves are available. We also engrave hand-written signatures and other personal graphics. We have numerous clip art symbols available on our website.

Quality Cremation Jewelry

Our precious metal pendants all have a rubber gasket on the screw making it air and water tight.

Screwdriver included for pendants with square head.
