# ABOUT US

Based in colorful Colorado, our team aims to fulfill the needs of gift-givers with fun and practical gifts that say “I know EXACTLY what you love, and I love that about you.” We have made this ideology the fuel for our creative spirit.

We offer a little something for everyone: foodie, medical worker, sports nut, grandparent, brainiac, animal lover, outdoor enthusiast...you name it!

We pride ourselves in providing a superior product that is not only fun to gift but also holds up to daily wear and tear. Customers will love the soft feel of our stretchy cotton socks, and they'll be sure to get a kick out of the funny sayings and unique designs that really make our products stand out!

## SEE THE DIFFERENCE

When it comes to our sock designs, we're perfectionists! We have a team of talented illustrators who we work with to bring our ideas to life and create the most vibrant, artistic designs on the market.

We work closely with our manufacturers to make sure every sock looks and feels flawless, no matter how long it takes.

"Bought these to surprise my husband. He got a kick out of them. They feel like good socks too!"  
- Emily O.

"I truly expected these to be like most novelty shirts and socks and be very thin. Wrong. They're soft. They're pretty thick/warm. And well constricted so they don't fall apart in the wash. They're great!"  
- TT

## FEEL THE DIFFERENCE

Lavley socks don't just look great - they feel great too! Made from an ultra-soft premium cotton blend, these socks will keep feet cozy and comfortable all day long.

With top-notch knitting and durable fabric, they're built to endure seasons of wears and washes without developing holes or fading. Plus, they effortlessly stretch to accommodate most foot and calf sizes, ensuring unparalleled comfort. Just see what our customers have to say...

"I absolutely love these sock they are so cute and comfortable."  
- Theresa L.

"I picked these up as a surprise for my boyfriend (avid golfer) and he loved them! He says they are comfortable, and he was very pleased with the gift."  
- Tressa
