

# CABANA

## STORAGE WITH ELEGANCE

One of our more popular styles of garden buildings, the Cabana offers an aesthetically pleasing design which makes a welcome addition to any backyard. The dutch door flanked by two fixed windows along with the flower boxes and shutters gives the Cabana a charming cottage appearance. Use it as a poolside cabana, a playhouse or for garden storage. Customize your Cabana by adding functional awning style windows or by adding more windows.

**CedarShed kits come panelized, making it quick and easy to assemble.**
