

CLUBHOUSE

PARADISE IN YOUR BACKYARD

The Clubhouse provides a poolside bar and entertainment area for family get togethers and barbeques. The innovative drop down window with its extra wide window sill and covered porch makes a nice open air bar seating area. Pick the larger 10ft wide ClubHouse which offers you a larger covered porch and a porch wall consisting of one slide down window, Dutch door and one blank wall. Add more bar seating area by replacing the blank wall with another drop down window. The two functional windows on the ridge wall offer enough light and air flow to make the ClubHouse a perfect place to curl up on a sunny afternoon for some peace and quiet or with a good book.
