

SUNHOUSE

HOBBY GREENHOUSE

The SunHouse is CedarShed's version of a greenhouse/storage shed. The thermoclear panel roof allows light to filter into the SunHouse to promote plant growth but keeps the interior from overheating. A functional window and dutch door are interchangeable, allowing for versatile yard placement for the Sunhouse. The wide work benches give you plenty of room to enjoy your gardening projects.

SH812 - 8'x12' Sunhouse

CedarShed kits come panelized, making it quick and easy to assemble.
