

Minimum Advertised Price (MAP) Policy

Field Controls ("FC") has built a strong reputation and following among the end-user consumers of our products. To protect our strong reputation for high quality and high value products, FC has established a Minimum Advertised Price Policy (MAPP). This MAPP will ensure long-term viability of our brands. The MAPP will also protect the investment of the resellers providing valuable sales growth, product assistance and support to our customers.

An "Authorized Retail Product List" is attached below for FC Products approved for retail sale. All other Field Controls Products are not approved for Retail Sale and may not be advertised or sold to anyone other than professional installers as outlined in Field Controls Installation Manuals. This MAP policy will apply to all U.S. and International dealers, distributors and resellers (collectively, "Dealers") of FC products. We believe that this MAP Policy will allow FC and its Dealers to maintain competitiveness and effectively promote the quality and value of FC products.

This MAP policy shall work under the following guidelines:

- a. Each Dealer is free to independently determine the price at which it **advertises** and at which it **resells** FC products without consulting or advising Field Controls. However, Field Controls will not do business with any Dealer who compromises the perceived value of its products. Field Controls will, in its sole discretion, enforce the MAP policy as outlined in i) below.
- b. This Policy applies only to **advertised** prices and does not apply to the price at which the products are actually sold or offered for sale to an individual customer at checkout on a Dealer's website, at the Dealer's location, over the telephone or otherwise. Pricing listed on the internet is considered an advertised price and must adhere to this MAP policy; pricing associated with an actual purchase becomes the selling price and is not subject to this MAP policy.
- c. The Authorized Retail Product List with Manufacturer's Suggested List Price (MSRP) and Minimum Advertised Price (MAP) is available upon request from Field Controls. Contact Policy Administrator at 1-252-522-3031.
- d. This MAP policy applies to all advertisements of FC products in any and all media, including, but not limited to, flyers, posters, coupons, mailers, inserts, newspapers, magazines, catalogs, mail order catalogs, internet or similar electronic media, television, radio, and public signage. This MAP policy is not applicable to any in-store advertising that is not distributed to customers.
- e. "Bundling" or the inclusion in advertising of free or discounted products (whether made by FC or another manufacturer) with a product covered by this MAP policy is contrary to the policy if it has the effect of discounting the advertised price below the MAP.
- f. This MAP policy does not establish maximum advertised prices. All Dealers may offer FC products at any price above the MAP.
- g. This MAP policy does not in any way limit the ability of any dealer, distributor and/or reseller to advertise that "they have the lowest prices" or, they "will meet match any price", that users of the product should "call for a price" or phrases of similar import as long as the price advertised or listed for the products is not less than the MAP.
- h. FC may monitor the advertised price of Dealers either directly or via the use of third party agencies. FC reserves the right, in its unilateral discretion, to take other action to any Dealer that violates this MAP policy. FC will enforce this MAP policy in its sole discretion; therefore, no Dealer has any right to rely on the continued existence of this MAP policy or any effort by FC to enforce this MAP policy.
- i. **Enforcement:** In its sole discretion, Field Controls will follow the progressive enforcement policy of the MAP as outlined herein:
 - 1) **Out of compliance**
Dealer will be informed of violation and has 48 hours to make adjustments.
 - 2) **Out of compliance beyond 48 hours**
Field Controls will issue an order to cease & desist.
Dealer's pricing will move LIST/MSRP for the item(s) until fully compliant.
Field Controls may at its discretion refuse to accept any orders from the dealer until fully compliant.
 - 3) **Out of compliance beyond 30 days or identified to have had multiple or repeated infractions.**
Dealer's pricing will move LIST/MSRP for all items until fully compliant.
Field Controls may at its discretion refuse to accept any orders from the dealer until fully compliant.
Dealer will lose the rights to use any Field Controls Product Logos and Images and may face further legal action.
- j. Field Controls' policy administrator shall be solely responsible for determining whether a violation of the policy has occurred, and will communicate sanctions imposed under this MAP policy. FC SALES PERSONNEL OR OTHER EMPLOYEES HAVE NO AUTHORITY TO MODIFY OR GRANT EXCEPTIONS TO THIS POLICY. All questions or comments regarding this MAP policy are to be directed to FC's policy administrator.
- k. FC reserves the right at any time to modify, suspend, or discontinue this MAP policy in whole or in part. Further, at any time FC may unilaterally change MAPs, introduce new products with a MAP, remove products with a MAP, engage in promotions with respect to certain products and/or engage in the sale of "close out" products.

MAPP "Authorized Retail Product List"

AIR BOOSTERS

PART #	MODEL	DESCRIPTION
46112800	JR-2	Square to round up to 220 cfm
46341301	KS-4	4" round duct, up to 80 cfm
46350101	KS-5	5" round duct, up to 165 cfm
46119401	KS-6	6" round duct, up to 225 cfm
46120001	KS-8	8" round duct, up to 425 cfm
46012102	AB-1	Up to 305 cfm, square to round
46255700	ABA-1	Air Booster Activator
46264901	EL-1	Eliminator Crawl Space Ventilation Fan
46281500	EDH-1	Dehumidistat Control

DRAFT CONTROLS BLACK TEE UL and cUL Listed Single Acting Wood or Coal.

PART #	MODEL	DESCRIPTION
46207204	5"RC/BT	5" Black Tee with Control
02722704	6"RC/BT	6" Black Tee with Control
01845404	8"RC/BT	8" Black Tee with Control

CONTROL

PART #	MODEL	DESCRIPTION
46634200	HHSC+	Healthy Home System Control Plus

VENTILATION CONTROL SENSORS

PART #	MODEL	DESCRIPTION
46676300	E-Sensor	E-Sensor Enthalpy MUA / Ventilation Control
46676400	T-Sensor	T-Sensor High/Low Temp. Adj. Ventilation Control
46676500	P-Sensor	MUA / Ventilation Pressure Switch
46676600	C-Sensor	MUA / Ventilation Current Sensor

VENTILATION COMPONENTS

PART #	MODEL	DESCRIPTION
46634300	FAS-6	Fresh Air System Includes HHSC Plus & FAD-6
46590506	FAD-6	6" Fresh Air Damper
46590507	FAD-7	7" Fresh Air Damper
46590508	FAD-8	8" Fresh Air Damper
46591000	SEC	Smart Exhaust Control (Programmable)
46231900	MAS-1	MUA Device w/ 6" Intake Air Hood

MEDIA AIR CLEANERS

PART #	MODEL	DESCRIPTION
