Abbreviations:

St/sts = stitch/stitches

Rd = round

Ch = chain

Sc = single crochet

Ss = slip stitch

Hdc = half double crochet

2hdc (crochet into the same stitch) = increase with 1 stitch

3sts together (crochet and gather 3 sts) = decrease with 2 stitches

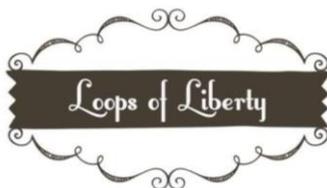

Crochet in rib = crochet in backloops only

Description of pattern

*All stitches are crochet in **backloops only**, unless anything else are mentioned. *Ss at the end of every round is crochet in both loops.*

*The first stitch on every round is crochet into the first hdc, and the last stitch on every round is crochet into the same stitch as the ss from the previous round.

***3sts together:** *Yarn over, down into the next st, pull through the thread, down into the next st, pull through the thread, down into the next st, pull through the thread = 5 loops on the hook, yarn over and pull through all loops.*

Information:

- *The hat is crocheted from the face towards the top of the hat, crocheted in rib pattern.
- *Chain 1, that starts every round, doesn't count as a stitch.
- *When you increase or decrease, they will be shifted. It prevents the hat from twisting, when working in rounds.
- *The hat is crocheted in rounds and after each round you turn and crochet the same way back.

- Chain (99) 107 (115) 127 (135) and gather into a ring with a ss into the first chain.

Break the yarn and leave a long thread of yarn to sew the last stitches together.

Sew the last stitches together, do it from the wrong side.

Notice: if the hat bumps by the forehead (especially when you crochet in merino yarn), it will fall into place after being washed.

Edge 1

Fasten the yarn in the middle of the back. Crochet from the front side.

Sc in every st, at the tip of the ear crochet 50 chains (the tie), turn, sc back in every chain, sc in every stitch along the face, 3sc into the same stitch at the top of the forehead, sc in every stitch along the face, by the tip of the ear chain 50 chains (tie), turn, sc back in every chain, sc in every st, end with a ss into the first st.

Edge 2

Fasten the yarn in the middle of the back of the neck. Crochet from the front side.

chain 1, *ss into the next st, skip 1 st, 4hdc into the next st, skip 1 sts*, by the tip of the ear chain 50 chains (tie), turn, sc back in every chain, repeat *-* all the way around, end with a ss into the ss.

Break the yarn

You can decorate the hat with making a pom pom, sew it on to the top of the hat.
