

For those of you who have not heard or read my earlier teachings I want to draw your attention to my first article Issue 1. Read it and it will help you understand what I'm writing now. You can read Issue 1 on my website at www.sozo-online.org.

Judgment begins at the house of the Lord. In the beginning I really didn't understand what the Lord was doing with my life though He had made known to me He had plans for me before I was born.

In the first dream, I talked about being sent to the churches world-wide then it narrowed down to the apostolic church I was raised in. Judgement begins at the house of the Lord.

In the dream, you will read, that underneath the baptismal pool I saw a deep grave with lots of caskets stacked on top of each other. My pastor had a paring knife and wanted me to accept his doctrine. He was not teaching the sword of the spirit which is a short fighting knife or a combat knife. Much later the Lord made me understand why all those caskets; the people were dead, not because the Lord wanted them dead, but because of what the pastor taught. He robbed them of the chance to defend themselves with the word of God. The scriptures say we wrestle not against flesh and blood but against principalities and powers of darkness in high places.

Ephesians 6:10 Finally, my brethren, be strong in the Lord, and in the power of his might. 11Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. 12For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high [places].

The dream I'd had was very accurate. Their new church building was laid out exactly like in my dream. The church I'm referring to didn't go any further than speaking in tongues. There was no interpretation of tongues or prophecy or things that should have gone along with enduement of power. I wrote down the dream I'd had and I took it to our Pentecostal Assemblies of the World convention that year. While I was there I passed out copies of it.

In the article, I also talk about a woman in this church that I knew very well. Her name was Maddie. She had been sick for a long time. When I heard she was sick again I went to see her. I wanted to tell her about the word *sozo*. The Lord wanted her to be made whole.

Maddie died. She died because of what my pastor taught. He taught that sometimes God wants us sick; He might want us sick for His glory, sick to keep us humble, or sick to keep us saved. He wrongly used Paul's thorn in the flesh as an example. All these things robbed her. The people under his ministry of faith for healing were robbed. He didn't know or teach that healing is part of salvation. It would be good for you to read Issue 1.

At Maddie's funeral they were saying how she was strong in the Lord despite her sicknesses. Others gave testimonies of how they'd went to Maddie's sick bed, which was really her dying bed, to encourage her in the Lord. Their testimony was that she'd encouraged them in the Lord by being a wonderful witness. They said she had been sick for God's glory. They were all convinced she was saved because she

had been baptized and had spoken in tongues. According to the "apostolic" doctrine of the church that I belonged to it was believed that this was what saves you.

Revelation 14 talks about the last hours on the prophetic clock. There will be a time when the chip will be implemented, which many have seen lately on the internet. Here in the United States there are people in Wisconsin being implanted. People in Sweden are taking the chip. In an article in a newspaper in Lansing, Michigan, here in the U.S., it said everyone will have a chip in them- eventually.

Revelation 14:6 And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people, 7 Saying with a loud voice, Fear God, and give glory to him; for the hour of his judgment is come: and worship him that made heaven, and earth, and the sea, and the fountains of waters.

This angel is in the business of restoring the everlasting gospel. The everlasting gospel was never about getting saved to get ready to die and go to heaven. The everlasting gospel was the gospel preached to Abraham. We are supposed to have the blessings of Abraham.

Galatians 3:13 (KJV) ¹³ Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed is every one that hangeth on a tree:

The Lord wants to prepare His church to be overcomers. The only way you can overcome is by the word of your testimony and the blood of the Lamb, otherwise, to have a blood covenant like it states in Revelation 12.

Revelation 12:11 (KJV) ¹¹ And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.

It was never preached to us in our church denomination that we could be redeemed from every sickness and every disease. They were convinced Maddie died saved. I have known quite a few people that have gone to relatives and others on their death beds and then left thinking they were saved but they died.

My sister went to my uncle when he was dying of cancer and she led him to the Lord. She said she was glad he'd gotten saved before he died. This kind of thinking is part of the problem of not understanding the definitions of words like save; of not understanding what the words really mean. Save means to be made whole. If there was genuine repentance those people were born again, not saved. Maddie and my uncle were not saved. Maddie and my uncle were born again. Many people have been born again at the last minute.

When the man on the pole next to Jesus recognized who he was and repented the Lord forgave him of his sins and told him you're going to be with me in paradise. That man's sins were forgiven; and though he was not saved, he will see the Lord's face in peace.

If Maddie had been taught by my pastor about being saved and entering into a covenant for redemption from every curse of the law she would not be dead. The pastor's teaching robbed her of the chance to have faith to be made whole. If she had been saved she would have lived and raised her children.

The blessing of Abraham is a long life and to see your children's children. The watered down, faith robbing ideas and false doctrines have robbed people of the blessings of Abraham. As I said before, Maddie died born again, but she did not die saved: made whole.

When Peter preached to the Jews he told them to be baptized in the name Yahushua (they did not use the name Jesus at that time) they understood that Yah and Shua meant Yah, the Father who is salvation. Yah, or Yahweh, is the covenant-keeping God.

When people are baptized in the name of the Father, Son and Holy Ghost many don't understand that Yah is the Father, Shua is the Son who is salvation, and the spirit is the spirit of Yah. If there is repentance and you call upon the name of the Lord there is forgiveness of sin and you're born again, but that doesn't make you whole. Faith comes by hearing and hearing by the Word of God rightly divided. Many have been robbed of an opportunity to have faith, to enter in to a covenant to be healed and get out of their death bed.

For your own sakes, I am putting in the newspaper the usage of the words save, saved, salvation, and savior. I'm giving you every verse in the New Testament with the words save, saved, salvation, and savior and their meaning. They all mean the same thing. They all mean to be made whole and delivered. You can go down the list. There are other times when save is used in scriptures but they have nothing to do with salvation, for example saving money. Do your own study so you can understand what I am saying. I'm sure some of you have ministered to someone before they've died, you led them to the Lord and they were born again, but they were not saved. When the Lord went to a dying bed, or even to those who had died, they were saved. They were delivered from death.

I recommend as you study this that you raise your hands and thank the Lord for being born again. In Thessalonians, Paul said there would be a great falling away from the truth and there has been. Daniel prophesied of apostasy in the last days. The angel of the Lord wants to open the eyes and heart of the church and cause us to enter into a blood covenant. It tells us we're going to overcome by the blood of the Lamb, otherwise, by a blood covenant and the word of our testimony. The word testimony means a legal statement. It means evidence given judicially, a report, a record, a witness. You need to have it written down by your name in heaven that you have entered into a blood covenant. Therefore, you'll be able to overcome the at time when you can't go to a hospital, drive, work or pay taxes. It will be just like when the Israelites came out of Egypt.

Those who hate the believers will be killing again like it states in Revelation. The Lord wants us prepared right now, not later, right now. You can see on the internet there is much being said about people using the chip.

Give thanks to the Lord for being born again and contend for the faith that was once delivered to the saints. Pastors- follow this teaching so that you can preach this message. Bring in the next generation as you should; with an understanding of entering into a covenant to be made whole. Prepare your people so they don't have to go to miracle meetings to be healed. If they enter into covenant to be redeemed from all the curses of the law, and every sickness and disease not named in the book, they won't need to go.

Deuteronomy 28:61 (KJV) ⁶¹ Also every sickness, and every plague, which is not written in the book of this law, them will the LORD bring upon thee, until thou be destroyed.

It is unfortunate that so many of us are sick. We have been robbed of the word that gives us faith that sickness would and should be removed from our midst. We must come to faith in these things here in these last days.

I have a request for help for this ministry. I am not asking for help for me personally. To those of you that understand the urgency of this message reaching the whole world- I would appreciate your financial help. We are a tax deductible ministry in the United States. There is a great need for the literature that you read on my website. I have a request for 10,000 copies for Nigeria. This message is being spread around the world. As the Lord provides money I send it to Ghana and Uganda to purchase literature for the believers and pastors. Emmanuel Akwasi Adjei is part of this ministry. He teaches classes in Ghana and periodically needs money to make copies of literature. Recently, he was in Ivory Coast where I spoke some time ago. He is also in need of an automobile as he travels and teaches. If you have a four wheel drive vehicle with high clearance and air conditioning that you can donate so he can travel around and minister wherever the Lord leads him, please know it would be a great blessing to us. I've traveled there on seven different occasions and at times we were in areas where four wheel drive was a must. We rented a van one year and it was \$6,000 for the month. It broke down and we were responsible for the repairs. This is a big strain on the ministry. We'd appreciate any support you can give. I only ask this because of the great need to help people understand this message in these last hours. May the Lord bless you.
