CERTIFICATE OF COMPLIANCE

Food Contact Status

We hereby certify that the coating on our tins complies with EU Regulation (1935/2004) Food Contact Materials. A safety determination carried out by Council of Europe, as required by this regulation, is available for the coating.

By observing the above regulations, we have fulfilled our duty of care regarding the compliance of the product with legislation governing food contact applications.

CERTIFICATE OF COMPLIANCE

Food Contact Status

We hereby certify the Cardboard Tube range complies with **EU Regulation (1935/2004)** Food Contact Materials.

In the case of paper and card the regulation does not specify how to comply, so we use a CoE Res for the tests to show compliance to 1935/2004/EC.

Test results EN71-3: 1995 incorporating amendment No. 1 = PASS

Specific Migration of Formaldehyde = PASS

PCP Content = PASS

By observing the above regulations, we have fulfilled our duty of care regarding the compliance of the product with legislation governing food contact applications.

We cannot guarantee that every item will be identical in size which may lead to a slight variation in capacity

How to Order

Order stock quickly and conveniently on-line at tinwaredirect.com.

You can also place your order with our team by calling: **+44 1234 77 2001** or emailing: info@tinwaredirect.com.

NB: Please order in multiples of the quantity shown overleaf.

Deliveries

We aim to dispatch your goods within one working day of receipt of your order. Delivery charges apply.

Stock Availability

We try to maintain adequate stock of every item, however, from time to time we may receive special demand for an item and consequently we may run out. Always try to place your order as early as possible to avoid disappointment.

Samples

Test our cardboard tubes before you buy with our sample service. A maximum of 10 samples can be ordered per transaction. Order your samples online at tinwaredirect.eu.

Product Information

- 2.5 mm thick cardboard plus 128 gsm paper wrap (minimum)
- Made from mixed sources
- External paper wrap made from sustainable virgin pulp
- Internal cardboard core made from 100% recycled material
- Product can be recycled
- Vegan
- Made using eco-friendly glue
- Wax lined tubes are waterproof

Glue MSDS Extract

- 20% vinyl acetate
- 20% butyl acrylate
- 1.5% acrylic acid
- 5% 2-hydeixyethyl acrylate
- 43.5% deionized water
- 10% resin
- No animals are used in the production of glue
