

PAGE STATIONERY

Price Guide EFFECTIVE JANUARY 2019

All you need to know about working with Page Stationery!

PROCESS

We strive to make the custom process seamless from start to finish. This takes high attention to the details on both Page Stationery's end and yours, as the liaison to the customer. We ask that you please familiarize yourself with the ordering, proofing, and delivery procedures to ensure the end result is complete customer satisfaction for everyone.

Once a letterpress print order is received, a \$500 or 50% deposit (whichever is less) is required. The first proof will be sent within **2-3 business days**. The initial proof and 3 rounds of revisions are free, however after the initial four proofs a \$45 proof fee will be applied for every round thereafter. Please take this into consideration when reviewing proofs and making changes.

Please review all proofs carefully. This entails proofreading all copy and double-checking spelling/grammar. We provide proofs in color, but please note that colors on a computer monitor may appear different than the colors that will actually print. We ask that you print proofs at 100% to ensure an accurate view. Reviewing proofs on a phone or tablet screen will not provide an accurate view of your order and may cause production issues.

Once you and your client have signed off on the final proof, the design is packaged, printing plates are processed, and paper/envelopes are prepped to be letterpress printed by hand. Please note: we print directly from approved proof.

Letterpress orders have a **10-14 business day** turnaround from final proof approval. Some orders may take longer due to complexities and customization and we will clearly communicate these altered time frames when they occur. Your estimated ship date is based on the date and time of approval. Orders approved after 12:00pm (noon) EST are not considered approved until the next business day. Ship dates are estimates and we will try our best to adhere to that schedule, but it is not guaranteed.

RE-ORDERS

All custom letterpress re-orders adhere to the same turnaround time. If there are no changes to the design, the same plate will be utilized and the plate fee will be waived from the sales order. Additional quantities requested after an order has shipped adheres to the 10-14 business day turnaround time and starts at the minimum quantity of 50.

RUSH ORDERS

We offer a rush on orders but at the discretion of our design/production schedule. The need for a rush order should be communicated at the initiation of the order process. Please contact us for availability. Rush orders have a \$500 or 50% of final cost up-charge (whichever is greater). Turn-around time for rush orders is **5-7 business days** from final proof approval. Expedited shipping cost will be in addition to the rush up-charge.

SHIPPING

All orders are shipped UPS Ground unless otherwise requested. Please note special shipping requests will incur additional cost.

Drop-shipping orders directly to customers incurs an additional \$15 fee.

We have taken great care with creating, quality-checking, counting, and packaging every order. However, there are times when something does get missed. We ask that you please count and carefully review your order upon receipt. If there are any discrepancies in quality or quantity, please contact us immediately. We will gladly fix any issue, but they must be reported within **3 days upon receipt of order**.

CANCELLATIONS

Letterpress orders may be cancelled prior to proof approval. The deposit will be refunded minus a \$75 design/set up/proof charge.

Letterpress orders with an approved proof that have not yet gone into production will receive a refund minus a \$75 design/set-up/proof charge.

Letterpress orders that have been approved and printed may not be cancelled and the entire order must be paid in full.

Page Stationery reserves the right to cancel all orders with no response in the proofing process after 30 days. We will refund the deposit minus a \$75 design/set-up charge.

Please feel free to reach out to us 866.540.7243 for more information.

CUSTOMIZATION / SUPPLIED ARTWORK

We offer printing services of supplied artwork. All supplied artwork must be original, purchased, and/or copyright free. We reserve the right to deny any order that we feel is in violation of copyright or intellectual property laws, in addition, we will also not recreate or copy any design from any other company.

Email artwork as a black and white EPS, Adobe Illustrator AI, or PDF art file to orders@pagestationery.com

Please package editable art files, or outline all text prior to sending.

When supplying multiple color artwork, each color must be separated and sent to us as 100% black vector or PDF files. If you are supplying art that is calligraphy or illustration, please submit as outlined vector art files.

When providing images for giclée printing, images must be 300dpi (minimum) and at the final card size it will be used plus a 1/8" (.125) of bleed on all sides.

If files are not sent print-ready or require additional editing, there will be an additional fee.

Please note: not all supplied artwork is guaranteed to reproduce well in the letterpress or foil printing process. Page reserves the right to refuse the use of supplied artwork.
