LEARN MORE

# Regenerative ORGANIC COFFEE

Regenerative organic  
green coffee beans  
drying on raised beds in  
Central America

**Vegetative  
Cover**

**Crop Rotation**

**Minimal Soil  
Disturbance**

**Rotational  
Grazing**

**Compost**

**Avoidance  
of Synthetic  
Fertilisers &  
Pesticides**

## Regenerative Organic Certified®

Our Regenerative Organic Certified® coffee sets  
the **highest standard in the world** for soil health,  
ecosystem preservation, and farmworker fairness.

## Change the world for the better

Since 1996, Salt Spring Coffee Co-Founder and CEO Mickey McLeod has been dedicated to changing the world for the better through coffee. Regenerative organic certification strengthens that commitment by **supporting the wellbeing of coffee farming communities, and preserving our natural ecosystems** in the fight against climate change.

FOUNDED AND OWNED ON  
SALT SPRING ISLAND
