

## Wire Type & Size

(USA Manufactured Wire)

CDE Animal Cages offers (3) Wire Type Options:

**Galvanized Steel & PVC Coated & Stainless Steel**

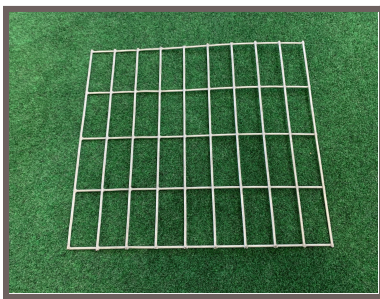

There are (3) options for Wire Size:

**1" x 1/2" | 1" x 1" | 1" x 2"**

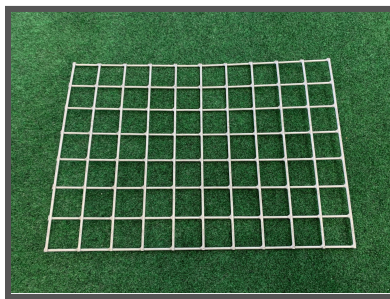

Type & Size go hand in hand. Select sizes come in select types. Read below to find out your options.

- **Galvanized Steel Wire**

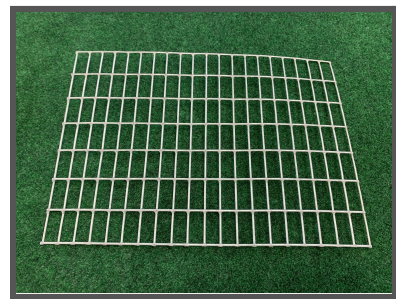

- This wire is galvanized after welding and not susceptible to corrosion.
- Sizes available:

**1" x 2"**  
14 gauge

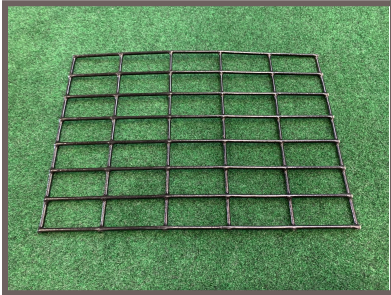

**1" x 1"**  
14 gauge

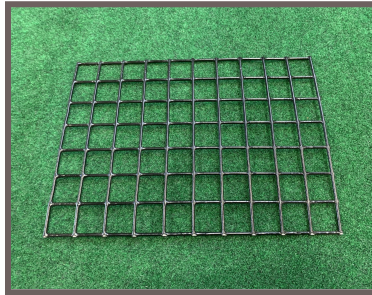

**1" x 1/2"**  
16 gauge

- **PVC Bonded Galvanized Steel Wire**

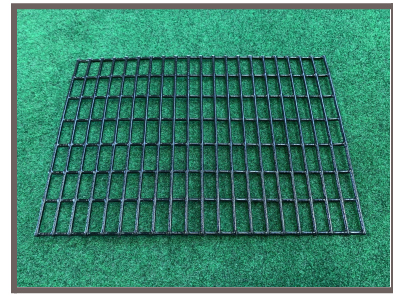

- Fuse bonded black coating that provides reinforced corrosion resistance.
- As this coating is bonded to the wire (not powder-dipped), it can withstand chewing and is safe from peeling or being scraped off.
- Sizes available:

**1"x 2"**  
14 gauge

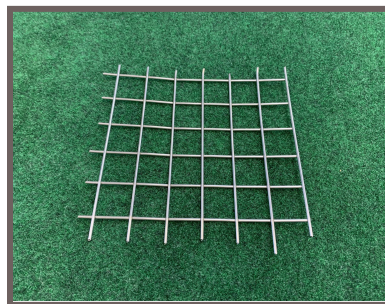

**1"x 1"**  
14 gauge

**1" x 1/2"**  
16 gauge

- **Stainless Steel Wire**

- This wire is extremely durable. It will not corrode or tarnish because it is USA tested and certified alloy stainless steel.
- Sizes available:

**1"x 1"**  
16 gauge
