

## FIND YOUR RING SIZE

## Please Note:

- Before printing, make sure that page scaling is set to "None" in you print options.
- Make sure you are printing to standard 8½ x 11 size paper (A4). Your ring sizer should be 3½ inches.

## Option 1: Use ring sizer to measure finger

- 1. Print and cut out the ring sizer below.
- 2. Wrap the ring sizer around your ring finger with the number side visible to you.
- 3. Take note of the number that appears closest to the slit that is your ring size.

## Option 2: Measure a Current Ring

- 1. Select a ring you have that fits your ring finger correctly (or any finger you intend to wear your ring on).
- 2. Place the ring over the circles below until the inside of your ring matches a specific circle.
- 3. If your ring falls between two sizes, order the larger.
