PBE Rope Lock

Rugged Dependability

- Heat resistant
- Chemical resistant
- Withstands the extreme pressures of extractors and hydraxtors
- Designed for #6 rope

Assurance

- "Sure-Bite" locks on rope, holds fast with no slipping
- Self-locking mechanism doesn't let go until the ring is pulled

Easy & Efficient Handling

- Easy to thread
- Rope releases quickly by pulling on rope in opposite direction

Low Cost

- Minimal investment for long-life product

The P.B.E. ROPE LOCK is designed for #6 rope.
