HOTEL ZEN FIBRE PILLOWS

This pillow will give you exactly what the name promises – a zen sleep that will leave you rested and revitalized in the morning. Our Zen® fibre is extremely insulating and breathable, giving a dry and warm comfort all night long with excellent neck and head support without losing its shape. The incredibly breathable 240 thread count 100% cotton shell is specially woven to allow air to effortlessly circulate, wicking away moisture while temperature regulating as you sleep. Beautifully finished with reinforced double stitching and piped edging.

- Premium Zen fibre polyester fill
- 240 thread count, 100% cotton shell
- Double stitched and piped edges
- Single compartment

Care - Use a pillow protector and cover, fluff up product daily, and air outside on a nice day, avoiding direct sunlight
