

Incontinence Pads

2019

Quality, Selection & Service Since 1967

Tex-Pro has a great selection of Incontinence Pads to suit every requirement. Made in the USA with North American lead-free vinyl.

Tex-Pro Standard Incontinence Bed Pad, Quilted 80% Cotton and 20% polyester IBEX surface, 8 oz. Polyester Rayon Blended Soaker with a high quality vinyl backing. This pad is completely washable under institutional conditions. 5 way side stitching provides the strongest edge available. Round corners prevent premature wear during washer extractions. Available in Green.

#641	Wheelchair Pad, Plaid Print	Size 18 x 24"
#646	Incontinent Pad w/tuck-in	Size 34 x 36"
#647	Incontinent Pad	Size 36 x 45"
#649	Incontinent Pad	Size 34 x 36"

Reusable pads are more cost effective & environmentally friendly than disposables!

Stay Smooth Performax LT Incontinence Pad.

Breathable polyurethane film helps block fluid but allows moisture vapour to escape, creating a cooler, drier and more comfortable patient environment. Swift-Dry top layer wicks fluid in quickly and moves it to the centre core. Super absorbent core disperses fluid through the pad so the top feels dryer quicker. Bonded construction thins the pad for less bulkiness with no decrease in absorption.

#645M Incontinent Pad Size 34 x 36"
100% polyester green face fabric, blue barrier fabric.
