

R&B WIRE #669 TRIANGULAR HAMPER

R&B Wire offers a wide range of hampers for healthcare, professional, and personal use. Ranging from cost efficient economy to stainless steel specialty. We offer the world's largest selection of hampers.

- Made from 1" tubular steel and comes fully assembled
- Powder coated with an attractive silver finish including the steel lid
- Dual access foot pedal activation makes it easy to access opening from either side of the hamper
- Lid damper allows for easy opening and a quiet smooth controlled closure to prevent rapid closure
- The rear support stabilizer legs provide a 5-point stance for added stability
- Legs have adjustable feet for leveling height and preventing the lid from hitting walls

Dimensions: 21"L x 21"W x 32"H (width = front to back)

Product Weight: 21 lbs
