

Fabric Care Instructions

For all fabrics except Cotton Velour:    

- Machine wash in cold or lukewarm water (90°F / 32°C) with a mild detergent.
- **Do not** Dry Clean as temperatures may exceed the recommended limit.
- **Do not** use chlorine bleach.
- Tumble dry at lowest heat setting. Remove immediately from dryer to prevent wrinkling.
- Avoid extreme heat to preserve quality of permanent press fabrics.
- No ironing needed if care instructions are followed.
- Products utilizing Velcro® hook-side fastener:
 Secure the hook fastener to itself to prevent fraying during washing and drying

For Printed fabric items:

- **Do not** Dry Clean. Use same washing instructions above.
- If pressing is required, iron or steam from back side (side opposite logo) of fabric.

For Cotton Velour:

- Dry clean only.
