

About Us:

Cate's Chemist are a group of locally owned pharmacies serving the Townsville community. Our mission is to deliver Convenient Health Solutions; with a focus on the provision of support to chronic patients, mental health, Aged Care and Aged Care Facilities, veterans' and Aboriginal and Torres Strait Islander communities. You can learn more about us at www.cateschemist.com.au, [Facebook](#) and [Instagram](#). Cate's Chemist has an opportunity for an Intern to work with a team of over 30 other health obsessed professionals!

Cate's Chemist will provide the successful applicants:

- Job security, the intern position has the opportunity for permanent employment.
- Attractive above award remuneration and bonuses.
- Intern Mentor Program with access to local owners to mentor, coach and pass on their experiences in community, hospital, and Defence pharmacy; leadership, management and negotiation; NQPHN and Pharmacy Guild appointments.
- Opportunity for funded further training such as HMR.
- Support with best practice, professionally managed dispense, medication profile and charting, professional service, HR, payroll, information management, training, risk management, and Quality Assurance systems. The leading largest local DAA automation capability, allowing pharmacists to focus less on 'packing' and more on clinically rewarding tasks.
- Experience in an innovative and forward-thinking practice.
- Opportunity to negotiate support for relocation and shared accommodation in the Townsville CBD.

Successful applicants will:

Harbour a love for pharmacy and health care; and enjoy working with a professionally and socially rewarding team.

How To Apply:
