

# KAF Bars

Stylish, Portable & Durable

**Set the Mood for Celebration!**

## Get your party started and uncork your profitability!

From the beginning of your event to the bottom line of your income statement, CamBars will be the life of the party! Cambre's full line of stylish, portable beverage bars provides opportunities for hosting in any environment—inside or out, small or large, formal or casual—to help you maximize one of the most profitable components of your business: beverage service.

### Everything your bartender needs—including the sink.

Your operator will feel right at home with everything needed for convenient, efficient beverage service, from the speed rail and 80-pound capacity ice sink on all models to pre- and post-mix options on larger models.

### Poolside, banquet hall, hotel lobby, patio, beachside...

Any location is the perfect party location: just roll out the CamBar!

- Four swivel casters (5" on small models and 6" on large models) allow for smooth transport across carpet, cement or grass.
- Made of durable polyethylene with a polyurethane foam core, CamBars are impact-resistant, waterproof and easy to clean.
- The reinforced aluminum chassis on the BAR730 and the BAR650 and the seamless construction of the BAR540 add structural strength.
- CamBars won't dent, crack, rust, chip or break—ensuring years of beauty and reliable service.

## EXCLUSIVE COLDPLATE

Standard equipment on PMT, PM and DL. Cold plate US patents 5,743,602 and 5,226,296.

### EXCLUSIVE COLD PLATE

- Sealed in to form the bottom of the ice sink.
- Patented "roof top" design. Melted ice water runs off the cold plate into the water channel built into the bottom of the ice sink. Water then drains into the waste water bin.
- Maximizes exposure to the ice keeping it colder.
- Cast aluminum construction.
- Eight circuits.

### TWO-PART LATCHING BODY ON BAR650 & BAR730

- Two separate pieces – front comes completely off body.
- Quick access to all interior space.
- No cramped, hard-to-reach areas within the bar.
- Equipment is easy to install, fix, change and clean. US patent 5,251,790.
