1 RETAIL PROFITS

Start earning immediate income with Retail Profits. When YOU purchase a bottle of MOXXOR for \$50 and resell it in person for \$60, YOU make \$10 profit (PV 40). If the Retail Customer buys directly from YOUR personalized MOXXOR website for \$60, YOU receive \$10 profit (10 PV).*

2 PREFERRED PROFITS

YOU will enjoy the same Retail Profits of \$10 by enrolling YOUR Customers in our Autoship. There are tremendous benefits for putting YOUR customers on Autoship, all Retail Customers enrolled in our Autoship are elevated to "Preferred Customer" status and can purchase MOXXOR at \$50, the same price as a Distributor. This also saves YOU time and money and ensures YOUR customers will receive MOXXOR continuously and uninterrupted every month. Simple and stress-free for both YOU and YOUR Retail Customer. So everyone wins, YOUR Retail Customer receives a \$10 discount on every bottle (\$50/bottle instead of \$60), and YOU receive \$10 profit on every bottle (20 PV).

*You are not required to be Active or Qualified to earn Retail Profits or Preferred Profits

3 FAST START BONUSES

We believe in rewarding YOU fast. This is another compelling feature of MOXXOR’s Compensation Plan, it’s part of our “up-front money” to assist our new Distributors to earn money immediately. By personally enrolling new Distributors with a Business Builder Pak, YOU will earn Fast Start Bonuses; up to \$125 on YOUR first two levels (see illustration below). And this goes on every time YOU or YOUR personally enrolled first-level Distributors enroll a new Distributor; they just keep coming week after week after week.*

One of the most important decisions that YOU will make as YOU start YOUR home-based business is where YOU position yourself to start in the MOXXOR Compensation Plan. One of the keys to success is to start YOUR business with sufficient MOXXOR product inventory to insure YOU have the best opportunity to optimize the MOXXOR Compensation Plan and build YOUR cash-flow quickly. The more people YOU share the MOXXOR opportunity with, the better YOUR results will be. Each Business Builder Pak is only available for purchase **once**. Business Builder Paks allow you the opportunity to maximize Team Commissions in your Binary Tree immediately. By purchasing the MOXXOR Pro Pak YOU immediately propel yourself to the maximum percentage payout of 15% in Binary Team Commissions from day one. We recommend that all of our MOXXOR Distributors start with the MOXXOR Pro Pak to maximize immediate income potential! The purchase of a Business Builder Pak is optional. To receive Binary Team Commissions, Executive Check Matching Bonuses, Leadership Check Matching Bonuses, and Global Pool Bonuses, you must achieve Starter Pak status or above.

* You have to be Active to receive Fast Start Bonuses. You do not have to be Qualified.

4 BINARY TEAM COMMISSIONS

Get paid weekly by enrolling and mentoring 2 (two) Sales Teams, referred to as YOUR Left Sales Team and YOUR Right Sales Team. YOUR Enroller (the person who introduced you into the business), or someone else in YOUR upline or downline, can also place people in YOUR downline (also known as your Binary Tree) to help YOU increase YOUR GV. As YOUR downline begins to grow, regardless of depth, YOU are entitled to Binary Team Commissions based on the total GV in YOUR Pay Leg.

Binary Team Commissions are earned on YOUR Pay Leg GV. To earn from YOUR Pay Leg GV, YOU are required to have at least the same GV in YOUR Qualified Leg. Any unpaid Sales Team GV carries over (bankable volume) to the following week as long as YOU remain Active. Binary Team Commissions are paid up to \$20,000 per week, per Distributor, up to the maximum potential weekly earnings for which you qualify according to your rank.

To qualify for Binary Team Commissions, YOU must be Active with an Autoship of at least 2 bottles (generating 80 PV) every 28 days, and YOU must also be Qualified, which means YOU must personally enroll two Distributors (one in YOUR Left Sales Team, one in YOUR Right Sales Team) who are also Active with an Autoship of at least 2 bottles (generating 80 PV) every 28 days. YOUR compensation percentage payout is predicated on your Business Builder Pak Status. YOU can immediately qualify for any Business Builder Pak status by purchasing any of the Business Builder Paks, or YOU can work yourself up to that status.*

Binary Team Commissions Illustration

This illustration is designed to help YOU better understand Binary Team Commissions. In this example YOU are active with an Autoship of at least 2 bottles (generating 80 PV) every 28 days. YOU are also Qualified because YOU have a Personally Enrolled Distributor in YOUR Left Sales Team who is Active with 500 GV and a Personally Enrolled Distributor in YOUR Right Sales Team who is Active with 1,000 GV. If YOU are at the MOXXOR Pro Pak Status, YOU qualify for 15% in Binary Team Commissions, which in this example equates to \$75 (15% of 500 GV).

*Upgrade Rules

Distributors can upgrade to a Business Builder Pak Status by achieving the following requirements:

MOXXOR Starter Pak Status: YOU may (1) Retail a minimum of 6 bottles, OR (2) Generate 200 PEGV from YOUR personally enrolled first level, from which 100 PEGV maximum can be used from one leg in YOUR first 4 weeks from enrollment OR (3) Accumulate 1,000 PEGV from YOUR personally enrolled organization with no limit in time period (500 PEGV max from one leg).

MOXXOR Pro Pak Status: YOU may (1) Retail a minimum of 18 bottles or (2) Generate 600 PEGV, from YOUR personally enrolled first level, from which 300 PEGV maximum can be used from one leg in YOUR first 4 weeks from enrollment OR (3) Accumulate 3,000 PEGV from YOUR personally enrolled organization with no limit in time period (1,500 PEGV max from one leg).

* A Distributor must be Active and Qualified to receive Binary Team Commissions

* A Distributor earns Binary Team Commissions after they achieve MOXXOR Starter Pak Status or above

* Upgrades take effect the week after the minimum requirements have been achieved

Maximum PEGV Per Leg Illustration

This illustration is designed to help YOU better understand Maximum PEGV Per Leg. In this example, YOU personally enrolled Lisa, John and Kevin. Lisa has generated 7,000 PEGV, John has generated 1,500 PEGV and Kevin has generated 1500 PEGV. YOU have achieved the 10,000 PEGV (exceeded the 7,500 PEGV threshold for Gold Rank requirement), but YOU can only use the maximum of 4,500 PEGV from Lisa's 7,000 PEGV. Since John has 1,500 PEGV and Kevin has 1,500 PEGV, YOUR combined qualified volume for Rank qualification is 7,500 PEGV which satisfied the Gold Rank requirement.

* To receive Executive Check Matching Bonuses you must be a Qualified Executive Rank or above AND you must have in one or more of your Personal Enrollment Legs a Qualified Executive Rank or above

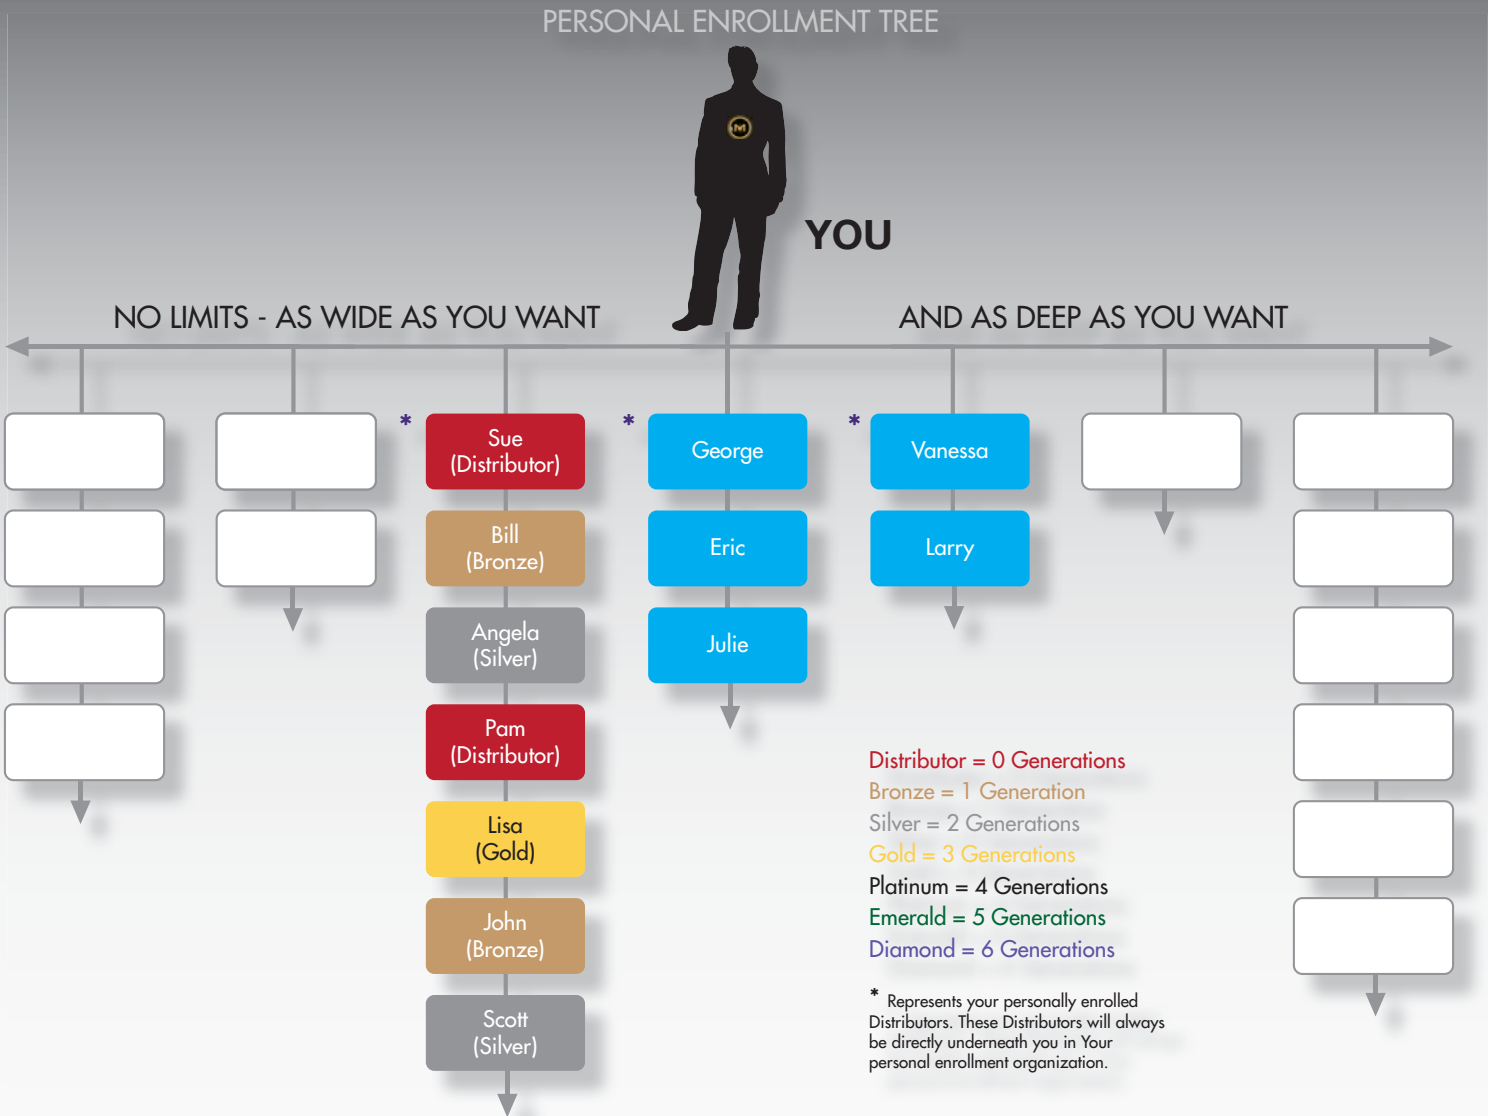

YOU may earn Executive Check Matching Bonuses on the **Binary Team Commissions** paid to all Bronze and above in YOUR **Personal Enrollment** legs. A Generation ends when a qualified Executive is found, regardless of depth. The Executive Check Matching Bonus rewards YOU on the width of your Enroller Tree, and even more importantly, the depth of YOUR Enroller Tree. To maximize YOUR income potential, continue personally enrolling Distributors, therefore creating more personal enrollment legs on which YOU can continue to earn Executive Check Matching Bonuses.

The following chart illustrates the 6 Executive Generations and corresponding Executive Check Matching Bonus percentages.

EXECUTIVE CHECK MATCHING BONUS PAYOUT CHART

GENERATIONS	BRONZE	SILVER	GOLD	PLATINUM	EMERALD	DIAMOND

4				5%	5%	5%
5					5%	5%
6						5%

Executive Check Matching Bonus Illustration

This illustration is designed to help YOU better understand the Executive Check Matching Bonuses. In this example, YOU are a qualified Platinum. YOU can earn Executive Check Matching Bonuses through four generations of Executives. Once a qualified Executive is found on any leg, it completes the first generation of Executives for that particular leg.

Let's look at the leg that begins with Sue. In this leg YOU would earn Executive Check Matching Bonuses on Sue, Bill, Angela, Pam, Lisa and John (because John is the 4th Executive generation). To be paid deeper on this leg (allowing YOU to earn an Executive Check Matching Bonus on Scott), YOU would need to advance to Emerald, which would allow YOU to be paid through five generations of Executives.

Continuing with this example, if John earns in Team Commissions \$1,000 for the week, then YOU will be paid 5% of those earnings, a total of \$50. If YOU ascend in Rank, YOU will also be qualified to be paid on Scott's Team Commissions.

⑥ LEADERSHIP CHECK MATCHING BONUSES

In addition to the Executive Generations which goes 6 Executives deep, Leadership Generations will overlap YOUR Executive Generations and continue until a qualified Presidential is found, regardless of depth.

7 GLOBAL PERFORMANCE POOL

MOXXOR recognizes the importance of **performance** because our MOXXOR Compensation Plan is geared towards rewarding YOU for your hard work. To put fuel on the fire, we set aside 1% of the Global GV to encourage Team cooperation and performance for the first 12 weeks from the day of enrollment. When YOU purchase or achieve a Starter Pak Status or above, and for every 4 personally enrolled Distributors who have also purchased a Business Builder Pak, YOU will be vested 1 SHARE of the Performance Pool. There are a number of ways to earn additional Performance Pool shares when YOU duplicate yourself with YOUR Personally Enrolled Team and if they purchase a MOXXOR Pro Pak. The 1% Global GV is then paid quarterly to our qualified Distributors.

Performance Pool Illustration

This illustration is designed to help YOU better understand the Performance Pool. In this example, YOU enrolled Pam, Brian, Jared, and Sara. Each has purchased a Business Builder Pak in the first 12 weeks so YOU are vested 1 share of this pool. If YOU have achieved the Pro Pak Status, and if anyone in YOUR team purchased a Pro Pak, YOU will earn additional shares. So if Pam, Brian, and Jared purchase a Pro Pak (in Blue), then YOU will receive an additional 3 shares for a total of 4 shares! Lastly, if Pam was to duplicate the same by personally enrolling 4 distributors with an optional Business Builder Pak, YOU will earn one more share!

We have reserved 1% of Global GV for our Executive Team of Golds, Platins, Emeralds, and Diamonds. As a qualified Executive Team recipient (Gold through Platinum), YOU earn one share in this pool for each of YOUR personal enrollment legs where there is a qualified Bronze Executive or above.
