

SCRATCH & SCAN TO
AUTHENTICATE

Welcome to the Shatterizer Family!

Thank You!

For a #PerfectClouds Shatterizing experience we are pleased to introduce the **NEW Shatterizer App**. Activate NOW by scanning QR Code and authenticating your purchase.

The Shatterizer App will confirm your membership to our community of **#PerfectClouds** and provide immediate digital access to FUN customized videos, instructions, information and real-time good news!

   shatterizer.com

We invite you to join **NOW**

1

Please scratch off the silver bar and scan the QR Code

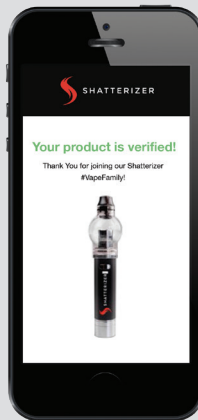

2

An image will confirm your Shatterizer product appearance

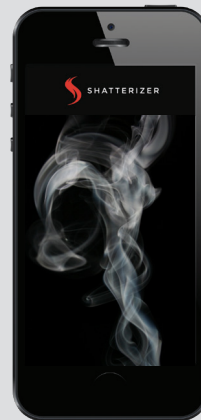

3

Enter unique case-sensitive code revealed. You get 3 tries!

4

If a perfect match, your Shatterizer product will be authenticated

5

Please register with a couple quick questions and then enjoy #PerfectClouds!

Simply search your smartphone's App store for the most recent QR Code reader and download!

iPhone: Open camera, focus on QR Code, click link that appears at the top of screen!

Android: In Play Store search "QR Code Reader," install one QR Code reader app, Open QR Code reader app, focus on QR code, click okay to open the screen!
