

INTRODUCING THE SHATTERIZER™ DABTABS™ EDITION PORTABLE VAPORIZER TO USA - 2019

1. Specialized portable vaporizer pen created for DabTabs extract delivery system. The Shatterizer DabTabs Edition has a newly designed powerful battery and custom-made coils.
2. Comes standard with 2 Ceramic Shatterizer DabTabs Coils for perfect taste every time.
3. Borosilicate glass top cover is uniquely designed to maximize taste, vaporization view, airflow, flavor and reduce vapor temperature for a smoother vaping experience.
4. Long lasting battery is made of lithium-ion (18650) with 1400 mAh and customized DabTabs Silicon Sleeve.
5. Offers 15 second pre-heat feature, customized for ideal DabTabs vaporization temperature.
6. Adjustable 3 Stage Variable Voltage battery ranges in temperature settings between: RED the lowest setting (3.4 V or 20 Watt) BLUE the medium setting (3.8 V or 25 Watt) or ORANGE the highest setting (4.2 V or 30 Watt).
7. Offers 15 second continuous heat option with an automatic shutoff.
8. Conveniently added magnetic built-in silicone lined DabTabs storage container at the base.
9. Micro USB port with USB Charging cord.
10. Shatterizer DabTabs Edition Portable Vaporizer comes fully assembled with starter kit.

DabTabs extract delivery system, DabTabs tweezers and replacement Ceramic Shatterizer DabTabs Coils sold separately.

Shatterizer DabTabs Edition Portable Vaporizer is compatible with all Shatterizer brand coil options and accessories. Including Shatterizer CTECH coils (ceramic) and Quartz Dual Coils (QDC) for shatter, resin, rosin, wax, budder, sugar, crumble, bubble hash, distillate and most cannabis concentrates, sold separately.

SHATTERIZER DABTABS EDITION PORTABLE VAPORIZER COMPONENTS

Borosilicate Glass Cover

The borosilicate glass cover has been uniquely designed to maximize vaporization view, flavor and reduce vapor temperature for a smoother vaping experience.

Magnetic Built-In Silicone Lined DabTabs Storage Container

At the bottom there is a magnetic built-in silicone lined DabTabs storage container to make travelling much easier. This feature has been carefully designed to be attached and removed with ease.

SHATTERIZER DABTABS EDITION PORTABLE VAPORIZER COMPONENTS

Ceramic Shatterizer DabTabs Coils

The Shatterizer DabTabs Edition Portable Vaporizer comes standard with 2 ceramic DabTabs coils for perfect taste, every time. Replacement coils are available in 5 packs.

Long Lasting Variable Voltage 3 Stage Battery with DabTabs Silicon Sleeve

Simply click the silver power button 5 times rapidly to turn on and off and 3 times to switch between voltage temperature settings. This design allows you to customize the heat setting to your personal preference for maximum enjoyment.

Click twice to engage specialty 15 second pre-heat feature, once to stop. Customized for ideal DabTabs vaporization temperature.
