

TREW WARRANTY FORM

Completion of this form is required to initiate a warranty claim with TREW. Turnaround time is generally 4-6 weeks, but we cannot make any assurances as to when you will receive your repaired gear. TREW reserves the right to determine, in its sole discretion, the practical lifetime of the product and eligibility of the product for warranty. TREW may also charge you for the cost of the repairs, but we will contact you for prior approval. Be advised that if your product is replaced, your original item will not be returned to you.

Fill this form out completely and wash your gear before sending it. Then print and include a copy with your clean gear. Unclean gear will be sent back to you.
