IPC 1U-10240

The **IPC 1U-10240** is the perfect rack for a low-priced server system. The excellent quality of the materials combined with superb workmanship establishes the basis for a very variable case.

The **IPC 1U-10240** provides the possibility to mount maximal eight 2.5" or two 3.5" internal hard drives. Two standard 40mm fans guarantee an optimal cooling.

Additional extras like easily reachable USB connectors and the universal slot bracket complete this total package.

Specifications
