

## **IPC 2U-2129N**

The **IPC 2U-2129N** is the perfect rack for a low-priced server system. The excellent quality of the materials combined with superb workmanship establishes the basis for a very variable case.

The **IPC 2U-2129N** provides the possibility to mount a 1U or 2U server power supply at the rear of the chassis as well as a normal ATX power supply with 80mm fan in the front.

Furthermore the **IPC 2U-2129N** is equipped with four 80mm fans and perforated slot brackets for excellent cooling.

Both serial USB front connectors, one of them **USB 3.0**, round off the whole package.
